Management
Master of
Management

Specialized Expertise Unleashed

Immerse yourself in the transformative Master's of Science in Management (*MS-Management*) program, tailored for deep expertise in business management subareas. With a robust core of 6 management courses, culminate your journey with a specialized concentration, making it an ideal choice for business professionals eager to elevate their expertise.

Accessibility and Affordability Redefined

Tarleton's *MS-Management* program, available online year-round, provides flexibility to accommodate your schedule. The cost is affordable, with a nine-semester credit hour load priced at approximately \$3,800 for residents and \$6,200 for non-residents, ensuring that advancing your career is both accessible and budget-friendly.

Flexible Learning Paths and Collaborative Opportunities

Embrace extreme flexibility with the Tarleton *MS-Management* program, offering multiple start times and varied class formats. Whether pursuing part-time or full-time, you have up to six years to complete the program. Beyond the business school, explore collaborative tracks with interdisciplinary perspectives, unlocking a world of opportunities through our program webpage's QR code. The *MS-Management* is your passport to collaborative exploration and limitless potential.
