

## **Terms and Conditions**

**Effective Date:** 15/07/2025

**Company:** Affiliate Marketing 3.0 DAO LLC (“we,” “us,” “our”)

**Website:** [afm.network](https://afm.network)

---

### **1. Acceptance of Terms**

By accessing or using our website, services, smart contracts, or any decentralized application (dApp) developed, published, or maintained by us, you agree to be bound by these Terms and Conditions (“Terms”). If you do not agree, you must refrain from accessing or using any part of our ecosystem.

Use of our services requires that you are of legal age and have the capacity to enter into legally binding agreements in your jurisdiction.

---

### **2. Scope of Services**

Affiliate Marketing 3.0 DAO LLC offers services including, but not limited to:

- A decentralized platform for affiliate marketing campaigns
- Token-based rewards or incentive systems
- Blockchain-integrated analytics and tracking tools
- DAO-governed features allowing community participation in governance

All services may be provided through Web3 interfaces such as smart contracts and decentralized storage.

---

### **3. Web3 Access and Wallet Responsibility**

You are solely responsible for maintaining the security and control of your wallet and seed phrase. We do not store private keys and cannot recover lost wallet access.

All interactions made using your wallet address shall be deemed to have been made by you. Transactions on blockchain networks are irreversible and we are not liable for incorrect transactions or wallet address errors.

---

## 4. Intellectual Property

Unless otherwise indicated, all content, dApp source code (excluding open-source components), documentation, brand assets, and UI/UX elements are the intellectual property of Affiliate Marketing 3.0 DAO LLC or licensed accordingly.

Use of our materials without permission is prohibited except under specific open-source licenses clearly noted within our repositories.

---

## 5. Limitation of Liability

To the fullest extent permitted by law, we shall not be liable for any damages resulting from:

- Smart contract bugs or exploits
- Loss of digital assets
- Platform downtime or blockchain congestion
- Forks, network attacks, or regulatory changes

You understand the inherent risks of using experimental decentralized technologies and assume full responsibility for your use.

---

## 6. Indemnification

You agree to indemnify and hold harmless Affiliate Marketing 3.0 DAO LLC, its contributors, community developers, partners, and DAO members from any claims or disputes arising out of your use of the services or violation of these Terms.

---

## 7. Refund Policy

All purchases, subscriptions, or access fees made through Affiliate Marketing 3.0 DAO LLC are strictly non-refundable. By completing any payment on our platform, you acknowledge and accept the following:

- Due to the irreversible nature of blockchain and cryptocurrency-based transactions, once a transaction is confirmed and recorded on the blockchain, it cannot be reversed, canceled, or altered.
  - Our services often involve access to proprietary, digital, or tokenized products that are delivered instantly or on-chain. As a result, we are unable to provide refunds under any circumstances.
  - You are solely responsible for ensuring that you understand the nature of your purchase, the platform functionalities, and wallet compatibility prior to completing any payment.
  - We advise all users to double-check their wallet addresses, payment information, and the products or services being purchased. Affiliate Marketing 3.0 DAO LLC is not liable for any losses resulting from user error, miscommunication, or misunderstanding of our refund policy.
- 

## **8. Third-Party Protocols & Links**

Our platform may integrate third-party protocols (e.g., bridges, exchanges) or link to external sites. We do not control these services and are not responsible for losses or data leaks resulting from their use.

---

## **9. Governance & DAO Participation**

Holders of certain governance tokens may participate in community proposals, voting, or DAO operations. Participating in governance does not constitute employment or create fiduciary duties between the DAO and its token holders.

All governance mechanisms operate via publicly auditable smart contracts, and proposals are subject to DAO voting thresholds.

---

## **10. Dispute Resolution**

In case of any legal disputes, these Terms shall be governed by the laws of the United States. Where appropriate, disputes may also be resolved through community governance mechanisms, subject to a quorum and voting consensus.

---

## 11. Severability

If any provision of these Terms is found to be unenforceable or invalid, the remaining provisions shall remain in effect.

---

## 12. Changes to Terms

We may revise these Terms at any time. Updates will be published on-chain (if applicable) and/or via our website. Continued use of the services after changes implies your acceptance.

---
