

**AI, AUTOMATION  
& DIGITAL EXPO**

A part of:

**INDIA  
PRODUCTION  
TECHNOLOGY  
WEEK**

# Manufacturing Intelligence Redefined

9-11 April 2026 | PIECC, Moshi, Pune

**FUTURE  
MARKET EVENTS**

[www.digitalmanufacturingexpo.com](http://www.digitalmanufacturingexpo.com)

## Building Bharat's Manufacturing Ecosystem

9-11 April 2026, PIECC, Moshi, Pune

India Production Technology Week serves as the umbrella platform bringing together six specialised trade shows that celebrate the spirit of Make in India.

Join the complete manufacturing value chain:

## Empowering the Future of Smart Manufacturing

The AI, Automation & Digital Expo is India's premier platform showcasing the convergence of artificial intelligence, automation, robotics, and digital transformation across the manufacturing value chain.

Experience how next-generation technologies are reshaping production efficiency, predictive maintenance, and data-driven decision-making for the factories of the future.

## What's in for you

### Experience Industry 4.0 in action:

Discover AI-powered systems, robotics, IoT platforms, and digital twins driving the next wave of manufacturing transformation.

### Connect with innovators:

Meet technology leaders, automation experts, and solution providers driving digital adoption across industries.

### Upgrade your operations:

Learn how to optimize productivity, reduce downtime, and improve quality through data analytics and smart control systems.

### Accelerate your business growth:

Forge partnerships, explore system integrations, and access government-backed digital manufacturing initiatives.

**Book your space now – Be where Smart Manufacturing begins.**

## Who will benefit

AI & Machine Learning Solution Providers

Industrial IoT & Edge Computing Platforms

Robotics, Cobots & Automation Systems

Digital Twin & Smart Factory Solutions

CAD/CAM, MES, ERP & Manufacturing Software

Precision Measuring & Metrology Instruments

Additive & Hybrid Manufacturing Systems

Cybersecurity & Industrial Connectivity Solutions

## Designed for professionals from:

Automotive & Auto Components

Aerospace & Defense

Pharmaceutical, Chemical, Food & Beverage Industry

Electronics & Industrial Machinery

Capital Goods & Engineering

Power, Energy & Heavy Equipment

Railways & Transportation

## Expect:

150+ exhibitors showcasing automation & AI innovations

Live factory simulations & robotics demonstrations

Expert sessions on smart factories & digital strategy

Networking lounges & business deals

# Located in the Heart of India's Manufacturing & Technology Hub

PIECC, Moshi, Pune

## Travel & Logistics:

- Easily accessible from Pune city center and major industrial clusters
- Ample parking and shuttle connectivity
- Range of nearby hotels and dining options

## Building Bharat's Manufacturing Ecosystem
