

HOMEBOUND DELIVERY SERVICE REGISTRATION FORM

The Hillsdale Library provides a free delivery service to residents of Hillsdale who are unable to visit the library due to illness, disability, or lack of transportation. A match will be made between a library volunteer and program participant. The library intends to provide such service once or twice per month. Participants in this program will not be held responsible for overdue fines, however other policies regarding lost or damaged materials remain in place.

Participants may request items via telephone, fax, or through the on-line library catalog. All residents of Hillsdale are entitled to a library card. Through its membership in the Bergen County Cooperative Library System (BCCLS), the library is able to obtain materials from any of the 75 member libraries.

The library provides access to a wide range of materials, including music CDs, DVDs, audio books, magazines, and of course books.
