

Salsa Valley

Merging Web2 & Web3 in an immersive GameFi & Entertainment ecosystem

Startup of the Year, 2023 in Miami

Problem & Solution

- Engaging and keeping real active users is costly, hindered by airdrop-focused and multi-accing users, Web2 audience's crypto complexity stereotype and inefficiency with grind-intensive products.
- Salsa Valley offers the brand new marketing solutions to attract users cost-effectively, providing them easy-going entrance points into Web3, multiply their entertainment through a diverse ecosystem and cryptobrands integration, and make them the brands lovers.

About

It's a unique cryptoworld, based on «Salsa Valley Stories», where you can create your own crypto history in the crypto cartoon series, crypto board game, Cook&Earn & Skill&Earn games and Mooniverse.
