Pre-Authorized Payment (PAP)

The Township of St. Clair is pleased to offer a Pre-Authorized Payment Plan for payment of taxes. You have two options that give you the convenience of not having to write cheques, no overdue payments to worry about, and no line ups at the bank or municipal office.

Your two pre-authorized payment options are:

1. Installment (by Due Date)

You can pay your taxes on installment due dates and are due in the following months: March, May, August and October (these dates are tentative and subject to change). **All arrears MUST** be paid in full prior to implementation. You may then apply to have the installment amounts withdrawn from your bank account.

2. Monthly

An automatic withdrawal of 12 payments which is calculated twice a year based on billing amounts. These will be calculated at the Interim Billing and the Final Billing. These amounts will be taken from your bank account on the fifteenth day of each month. The December 15th payment may be adjusted to pay any remaining balance for the current year taxes in full. All arrears **MUST** be paid in full prior to implementation.

There is no service fee from the municipality for this program. Any bank charges are the responsibility of the applicant.

Supplementary tax billings will be your responsibility, as they will not be covered under this program.

How to Enroll, Change or Cancel the Pre-Authorized Payment Plan

To enroll: Complete a pre-authorized payment form and return it along with a **VOID** cheque to the Township of St. Clair. **This authorization will not be required each year.**

To change or cancel: Please fill out the Pre-Authorized Tax Change Payment Form available on the website a minimum of 20 days of any banking changes or withdrawal from the pre-authorized payment plan.
