PTR-18 + Triangle

SKU 61-340 A

You've purchased the most innovative Precision Triangle on the market today – the PTR-18 + from TSO Products.

This product includes

- 1 ea. 610-205 H Triangle Body
- 1 ea. 610-184 B Foot, Detachable
- 6 ea. 610-204 A Screw, M4x0.7 SHCS SS (includes extra screws)
- 1 ea. 698-102 A Hex Key, 3 mm

The + denotes the addition of the proprietary 6mm threaded hole pattern for attachment of the following included TSO System accessories:

- 2 ea. 610-199 F Pin, M6, SS; Edge Locating
- 2 ea. 610-279 C Pin, M6, SS; 25mm Tall, MFT/3 elevated Guide Rail Squaring

These additions also enable the use of available optional accessories:

- 1 pair 61-245 6-inch Clamping Angles
- 1 pair 102973 UJK Dog Rail Clips for connecting the Triangle to Festool, Makita or Triton Guide Rails
