

EFFICIENT. PREPARED. EQUIPPED. READY.

GovSmart has over \$2B in successful past performance with the Federal Government, including \$388M in 2023 alone, \$1 billion in the past 3 years, with a strong network of more than 1,500 OEM partnerships.

GovSmart, Inc. is a full scale provider of IT products and value-added services to the Federal Government and its prime contractors. We simplify IT procurement while offering the most competitive pricing on a wide variety of hardware and software solutions from most major manufacturers.

As a HUBZone Certified Small Business with over \$2 billion in successful past performance in the Federal sector, including \$388 million in 2023, we are uniquely suited to help the agencies meet their statutory socioeconomic goals while ensuring timely delivery and successful project completion.

- We consistently receive Exceptional CPARS with 100% recommendation rate from Contracting Officers.
- We are experts in setting up long-term contracts such as SEWP Agency Catalogs, BPAs, BOAs, DOWOs, and IDIQs to save the government time and money.
- We meet Federal contracting compliance standards, including NIST SP 800-171.
