

ezee Mint

Dynamic Pricing Software for
Accommodations

Are You Applying Dynamic Room Rates On Your Property?

Guest demands fluctuate, peak seasons change. Getting the right price for your hotel inventory throughout the year is crucial.

So...

How do you optimize your daily rates to ensure maximum occupancy?

Did you know

Pricing improvement by **1% boosts**

Your profitability by **11%**

Thus, demand-based dynamic pricing is essential and plays a vital role in optimizing your revenue.

eZee Mint - A Modern Revenue Management System

eZee Mint is a smart, secure hotel revenue management software that optimizes your hotel's revenue through:

Multilevel Property Assessment

Past and Present Business Analysis

Intelligent Pricing Engine

Real-time Inventory Synchronization

Competitor Rate Analysis

Does Smart Pricing Approach Make a Difference to Your Property?

Intelligent pricing is the heart of revenue management, and it has the potential to enhance revenue, increase RevPAR, save work hours and more.

Experience this difference with eZee Mint

Multiply Revenue In No Time With eZee Mint

Our software optimizes pricing based on solid criteria and pushes the competent rates online to maximize your occupancy.

Real-Time Price Variation

eZee Mint analyses historical data and applies its software intelligence to optimize your inventory prices on the go.

Dynamic Room Rates

Words of Appreciation From The Hospitality Fraternity

Right from onboarding to product training, YCS made it so smooth. The product has potential and will help a lot of the boutiques like mine. Keep up!

MARC
Corporate Commercial Director
at Tree of Life Resorts & Hotels

The times have changed due to covid-19, resort manager need to think a little differently. This software is easy to use and very comprehensive. Thank you.

Kevin Hall
Managing Director,
DigitalRez

Onboarding was seamless and no downtime was required. The team was quick to respond to questions and very knowledgeable when groundwork was required to set up the system. Thanks.

Primrose Khumalo
Hotel System Manager,
Riverside Hotel
