Length: 0.75 in **Drive:** Phillips #2

What you'll need

- TD53 Video Intercom
- A #2 Phillips screwdriver or power drill with a #2 Phillips driver bit
- 1/2 inch (12.7mm) drill bit, or larger, for routing cable through wall
- 1/4 inch (6mm) drill bit for wall anchor pilot holes
- 3/32 inch (2.4mm) drill bit for pilot holes

Compatible Products

- TD53 Video Intercom
- ACC-INT-HOOD-1

Overview
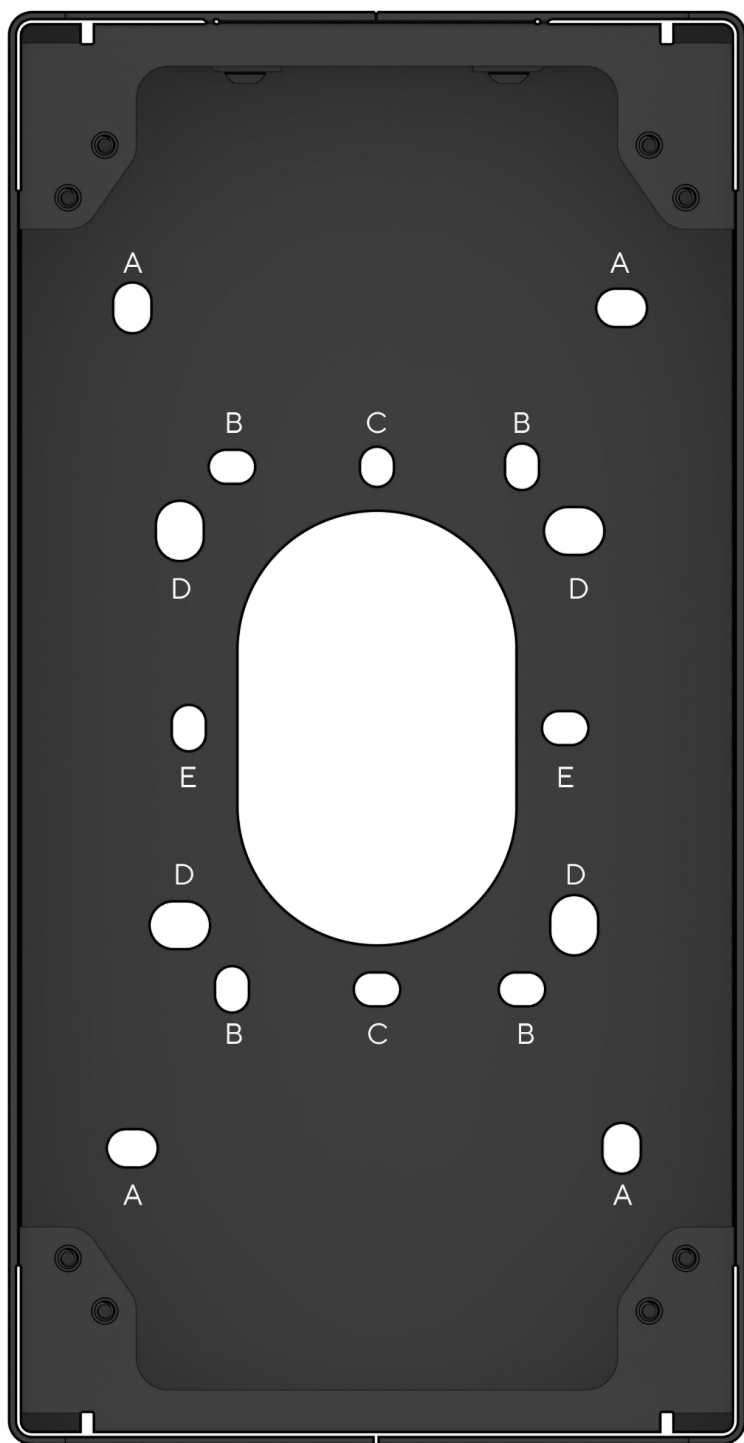

Hole Patterns

A	Direct wall mounting
B	Double gang junction box
C	U.S. Single gang junction box
D	Gooseneck mount
E	U.K. Single gang junction box

Installation
Mounting

For a solid material like wood or metal, drill 5/64 inch pilot holes. Drive mounting screws directly into the pilot holes using hole pattern A of the Conduit Surface Mount.

For drywall, plaster or masonry, separate wall anchors may be required.

For installation onto a junction box, use the corresponding mounting holes and provided machine screws.

For installation onto a gooseneck mount, use the corresponding mounting holes and provided carriage bolts / hex nuts.

Feed Ethernet cable through the center of the Conduit Surface Mount before fully securing it to the mounting surface.

Attach the Mount Plate provided with TD53 Video Intercom to the Conduit Surface Mount using the Mount Plate Screws also provided with the TD53 Video Intercom.

Feed Ethernet cable through the center of the Mount Plate before fully securing it to the Conduit Surface Mount.

Leave enough slack to safely handle the TD53 Video Intercom during installation.

For detailed mounting instructions related to Verkada TD53 Video Intercom, see its install guide.
Mounting

To use the conduit adapter, use the T10 screwdriver provided with the TD53 Video Intercom to loosen the screws attached to the conduit door. Use the same screws to attach the conduit adapter in its place.
The Conduit Surface Mount is reversible and can be mounted with the conduit adapter facing upwards or downwards.

Appendix
Support

Thank you for purchasing this Verkada product. If for any reason you're experiencing issues or need assistance, please contact our 24/7 Technical Support Team immediately.

Sincerely,
The Verkada Team
