Security for Aged Care and Assisted Living

Improve security across assisted living facilities, while improving resident care and protecting privacy. Verkada is a fully integrated hardware and software solution that combines intelligent devices with an easy–to–use platform, enabling secure remote monitoring and faster incident response across departments.

Improve resident care

Support privacy

Mitigate risks

Key benefits

Support the privacy of residents

Block areas from camera's view with privacy regions. Use face blur, role-based access, and live-only viewing.

Enhance entrance security

Streamline visitor management and control the flow of people entering and exiting facilities.

Maintain after-hours protection

Understand resident movement patterns, particularly at unexpected hours during the night.

Provide objective video evidence

In any scenario, use footage to help protect vulnerable adults – inclusive of both residents and staff.

Improve staff awareness and response

Empower care teams with real-time alerts for slip-and-falls, door-forced entries, or unusual activity.

Live monitoring from anywhere

Find, save, and share footage on-the-go. Plus, share live camera feeds with first responders in seconds.

Customer stories

lifeview

Lifeview Residential Care

"We've adopted Verkada as an integral part of our safety programs. If a resident is at risk of a fall, our staff can swiftly intervene."

Jimmy Muzzell,
Chief Operations Officer (COO)

HEALTHPRO ❧ HERITAGE

HealthPRO Heritage

"Having an integrated, user-friendly solution benefits all our teams. It's easy to operate and reliable – you don't have to think about it, it just works."

Josh Scott,
VP of IT Infrastructure and Service

ELIM Village

Elim Village

"This demographic [we protect] can include individuals with early onset dementia. An advanced security system not only supports physical safety but also aids in their daily care."

Neil Barkey,
Facilities Manager

Why Verkada?

No NVRs or DVRs
– up to 365 days of onboard storage

Unlimited user seats
and cloud archiving

Up to 10-year warranty
and predictable renewal costs
