Support the Mission While Enhancing Safety at Scale

Acts of targeted violence against religious institutions are a growing problem that requires a multi-layered security strategy. Verkada is a fully integrated physical security solution that combines intelligent devices with an intuitive user interface for remote monitoring, swift incident response, and greater peace of mind.

Lower cost of ownership

Simplify management

Gain peace of mind

Key benefits

Live monitoring from anywhere

Find, save, and share footage on-the-go. Plus, share live camera feeds with first responders in seconds.

Real-time incident response

Respond to threats with 24/7 professional monitoring and provide priority emergency response for confirmed threats.

Proactively deter threats

Set proactive alerts for Motion, Vehicles, or People of Interest to be notified of intruders or suspicious after-hours activity.

Improve service and operations

Gather quantifiable metrics around service attendance with occupancy trends and analytics to inform staffing decisions.

Objective video evidence

Use video footage to support cases, investigations, and claims. Gain visual context into events to resolve disputes swiftly and fairly.

Control access with ease

Set door schedules around hours of operation, simplify credential management and provision group-level access at specific times.

Customer stories

THE UNITED METHODIST
CHURCH OF THE RESURRECTION

United Methodist Church of the Resurrection

"Verkada is very simple to learn. By increasing visibility, we can identify and prevent unusual events from occurring. Best of all, I'm able to give staff and other volunteers access to cameras so they check areas like parking lots and entrances."

Mike Hannah,
IT Infrastructure Manager

THE SALVATION ARMY

Salvation Army

"The reason we chose Verkada was because of how easy it is to use. You don't have to be an IT guru to understand how it works. The ability to zoom in to see what is going on – without compromising quality – is really incredible."
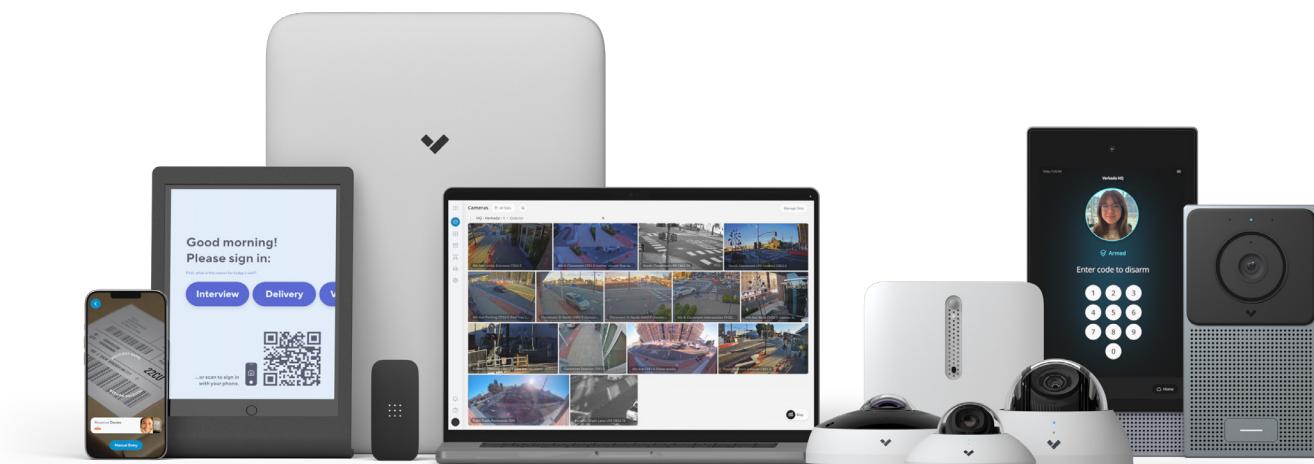

Isaac Samuel,
IT Manager

SECOND CHANCE
Retrain • Reclaim • Renew
a 501(c)(3) nonprofit corporation

Second Chance

"The quality of the product and service is what sets Verkada apart for me. I see the attention to detail in every part of the process, from technical support to the design of the packaging. When my first camera came, opening up the box felt like a piece of Christmas."

Peter LaMacchia,
Director of Asset Protection

Why Verkada?

No NVRs or DVRs
– up to 365 days of onboard storage

Unlimited user seats
and cloud archiving

10–year product warranty
and predictable renewal costs

24/7 technical support
via email, phone or live chat

Easy multi–site management
with cloud–based software

Automatic updates
to unlock features and maintain security

Command Platform

Manage devices, users, and sites from a single pane of glass — accessible from a simple web browser or mobile app.

Guest

Personalize the check-in experience for all types of visitors while integrating with cameras and access control.

Mailroom

Streamline mailroom management and safeguard assets with Verkada's camera integration.

Video Security

Hybrid cloud cameras offer onboard storage and edge-based processing to reliably deliver insights in real-time

Air Quality Sensors

Monitor environments for air quality, temperature, humidity, motion, noise, smoke and vape emissions.

Intercom

Answer calls from anywhere with sharp intercom video, clear audio and four smart receiver methods.

Access Control

Easily manage doors and credentials with Global Access and Active Directory integrations.

Alarms

Catch and respond to break-ins with cloud-managed intrusion detection and 24/7 professional monitoring.
