

## TD63

# All-in-One Video Intercom, Video Security, and Door Access with a Keypad

## Overview

Verkada's TD63 Video Intercom is a versatile and multifunctional device featuring video intercom, access control, and security camera capabilities all in a sleek and durable form factor. The TD63 delivers excellent call quality across diverse environments. Callers can be seen clearly in nearly any type of lighting condition, and both callers and receivers can be audibly heard in highly-trafficked areas.

Organizations can simplify their entry experiences with native and third-party integrations to access control systems. The TD63 is also equipped with a card reader that is compatible with several credential types and technologies. It also features a keypad, allowing admins to grant access and trigger multi-factor authentication using PIN codes. Additionally, the keypad on the TD63 can be configured as a directory, allowing visitors to reach specific departments or offices within a building by dialing a 1-3 digit call code.

The intercom camera also offers the full recording and analytics functionality of Verkada's security cameras to boost visibility and security at entryways.

The TD63 is great for outdoor deployments and harsh environments. It is immediately recessed mountable on a double-gang box, but a variety of mounting options and accessories facilitate easy installation on almost any surface.

## Key features

### All-in-one functionality

Combined video intercom, access control, and security camera functionality simplifies and secures the entire entry experience.

### High-definition video

5MP camera resolution, Wide Dynamic Range, IR LEDs, and 130° FoV allow a clear visual of high-traffic entryways day and night.

### HF, LF, NFC, BLE support

Built-in card reader supports many common high-frequency, low-frequency, NFC, and Bluetooth LE credentials.

### 12-button keypad

Keypad allows customized PIN access experience for any employee or visitor.

### Sharp audio

Four microphones, a DSP, and a 90dB speaker combine to deliver superior noise suppression and echo cancellation for maximum audio clarity on every call.

### Built for durability

IP66 and IK08 ratings coupled with a removable lens cover ensure the intercom withstands strong impact and inclement weather.

### Tech Specs

#### Power and rating

<b>Power Consumption</b>	37-57V, 0.62-0.40A	<b>Power Input</b>	IEEE 802.3af PoE IEEE 802.3at PoE+ (extended temperature range*)
<b>Connectivity</b>	Ethernet: 10/100/1000Mbps RJ-45 cable connector for Network/PoE connection	<b>Rating</b>	IK08, IP66

#### General

<b>Dimensions</b>	Height: 263mm / 10.4in Width: 118mm / 4.7in Depth: 33mm / 1.3in	<b>Operating Temperature</b>	-20°C – 50°C / -4°F – 122°F 802.3af PoE -40°C – 50°C / -40°F – 122°F 802.3at PoE+
<b>Weight</b>	1.3kg / 2.8lb	<b>Tamper Detection</b>	Yes
<b>Included Accessories</b>	Flush mount plate, surface mount box, T10 screwdriver, mounting hardware kit, grommet punch	<b>Separate Accessories</b>	Conduit mount box, angle mount box, trim plate, rain hood, PoE over 2-wire converter
<b>Maximum SQ Onboard Retention</b>	30 days	<b>Warranty</b>	10 years
<b>Onboard Storage</b>	512GB	<b>Inputs / Outputs</b>	3x dry inputs 2x dry relays, 30VDC @ 1A (resistive load) 1x RS-485 port
<b>Construction</b>	Aluminum, steel, polycarbonate		

#### Dimensions

#### Compliance and availability

<b>Compliance &amp; Safety</b>	FCC Part 15B Class B, ICES-003 Class B, UKCA, RCM, UL/IEC 62368-1, CSA NO22.2 62368-1, UL 294 Listed Outdoor	<b>Availability</b>	USA, CAN, UK, EU, AUS, NZ
--------------------------------	---	---------------------	---------------------------

#### Card reader compatibility

<b>Controller Compatibility</b>	Runs directly on TD63 intercom or via RS-485 connection to a standalone Verkada access controller	<b>Low Frequency Card Compatibility</b>	HID Prox II 26-Bit (H10301), 37-Bit Wiegand HID H10304, 37-Bit Wiegand HID H10302, HID 35-Bit Corporate 1000
<b>High Frequency Card Compatibility</b>	Verkada DESFire EV3, MiFare / DESFire NFC Card Serial Number	<b>Mobile Credential Compatibility</b>	Verkada Pass app, Apple Wallet, Android NFC
