A Flowchart for Quick Consensus Decision-making

1. Facilitator checks for *shared understanding* of the issue and *restates* for clarity

2. If there's time, a quick discussion, otherwise look for a *proposal*

***3. Restate* the proposal and, if there's time, discuss and *amend* it**

4. Summarise* where the discussion is at and *test for consensus

Any blocks?

"Yes"

"No"

Look for a new proposal: back to Step 2

Any *stand asides*?

Consensus?

Restate* the decision and *make it happen
