

East West Security & Consulting

Security, Technology and Consulting

• 3514 McKinley Ave, Tacoma, WA 98404 • (253) 234-5162 • sales@ewcgi.com

East West Security & Consulting (EWSC) is a local family and veteran-owned and operated small business based in Tacoma, WA. We deliver reliable end-to-end security services guided by a leadership team with extensive military, IT and security experience.

CORE COMPETENCIES

Security Guards and Patrols

WA state licensed armed & unarmed guards with regular, reliable patrols maintaining a visible security presence across your property.

Camera Systems & Access Control

Design, installation, and management of enterprise-grade surveillance and access control systems tailored to client requirements.

24-Hour Monitoring

Continuous around-the-clock surveillance and rapid response/dispatch to protect client assets and address security breaches or emergencies.

Investigations & Consulting

Licensed private investigations, security assessments, and expert consulting services for corporate clients, government, and small businesses.

Cybersecurity

End-to-end cybersecurity solutions including network security, vulnerability assessments, and CMMC compliance support for government contractors.
