YOUR MULTISERVICE STUDENT SOCIETY

The SFSS is the student union for SFU undergraduates established by the students for the students in 1967. Primarily located in the Student Union Building (SUB) on SFU Burnaby campus, the SFSS also offers services at SFU Surrey campus.

Our mission is to advocate and lobby for student wellbeing ensuring their voices are continuously heard by decision makers. Some of our recent work include campaigning for tuition freeze, funding for the Burnaby mountain gondola, open educational resources and student housing affordability. We also lead initiatives to improve students' experience on campus including food security projects, free events and giveaways.

The SFSS offers the following services:

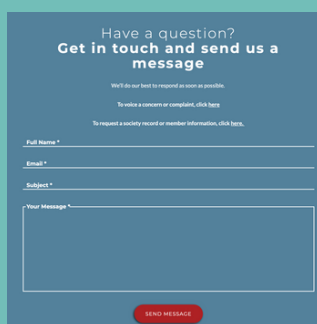

STUDENT UNION BUILDING (SUB)

The SUB offers amenities to fulfill every student need ranging from art, leisure and dining, to study, event and meeting spaces. The SUB also hosts all the following SFSS services (except Surrey Office) and other SFU student groups.

The SUB is located in the SFU Burnaby campus and open 7 days/week (9am-10pm) except on statutory and SFSS holidays.
