UUC Covenant

We covenant to create a place of respect and kindness, and to build a spiritual community based on reason and courageous love.

We will listen to one another respectfully, assume good intentions, use the power of our words with care, express gratitude, honor our differences, help one another, and welcome all.

We will communicate directly, honestly, and compassionately. When we hurt one another, we will forgive, make amends, and re-connect.

While we celebrate the words of our Mission Statement, and of this covenant, we affirm that our mission lives through our actions.
