Welcome to the 2026-2027 Voting Assistance Guide!

This Guide is a comprehensive resource for those assisting Uniformed Service members and their families, both stateside and overseas, and U.S. citizens residing outside the United States. The voting rights of these groups are protected under the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA).

Voting absentee is a simple two-step process: 1) Register to vote and request your absentee ballot, and 2) Vote and return your completed ballot.

U.S. elections are administered by the states, territories, and the District of Columbia. As such, this Guide and the real-time information at FVAP.gov provide the state-specific election dates, deadlines, instructions, and contact information you need to communicate directly with your state and successfully vote absentee.

The Federal Voting Assistance Program (FVAP) collaborates closely with state election officials to create this Guide and ensure its accuracy during each two-year election cycle. We thank them for their reviews and approval of this central source for both Voting Assistance Officers and their state's UOCAVA absentee voters.

The Guide's focus continues to be on streamlining content so Voting Assistance Officers in the military, the Department of State, and other organizations can easily navigate state differences while assisting voters.

Our goal is to simplify absentee voting while maintaining the integrity of the process, and we strongly encourage use of the Federal Post Card Application (FPCA). This allows voters to take advantage of federal voting protections, regardless of their location. Importantly, acting early in the year also ensures access to the Federal Write-In Absentee Ballot (FWAB) as a backup should a requested state ballot not arrive in time.

The FVAP staff is dedicated to providing the best possible absentee voting assistance and encourage you to use the tools and resources available at FVAP.gov. Between this Guide and the website, you can confidently navigate the absentee voting process for yourself, assist others, and maintain your focus on other important responsibilities. We look forward to working with you during the 2026 federal election cycle.

Sincerely,

A handwritten signature in purple ink that reads "J. Scott Wiedmann". The signature is fluid and cursive.

Chapter 1

How to vote absentee

To vote in a U.S. election, on the day of the election you must:

- be a U.S. citizen
- be 18 years old
- be absent from your voting residence

What are elections?

U.S. federal elections are held so that U.S. citizens can choose someone to represent them as U.S. President, U.S. Senator, and Member of the U.S. House of Representatives. Federal office general elections occur every two years, on the first Tuesday after the first Monday in November. In any given election year, every member of the House of Representatives and about one-third of the Senate is up for reelection. A presidential election is held every fourth year. State and local election officials administer elections in the United States.

U.S. citizens vote in several ways:

- In person -- either at the polls on election day or some time before election day.
- Absentee -- either from your legal voting residence in a state or when away from your legal voting residence.

Voting absentee?

A federal law, the *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)* protects your right to vote for federal offices if you are:

- an active duty member of the Uniformed Services, Merchant Marine, commissioned corps of the Public Health Service, or the National Oceanic and Atmospheric Administration;
- an eligible spouse or family member of an active duty member of the Uniformed Services, Merchant Marine, commissioned corps of the Public Health Service, or the National Oceanic and Atmospheric Administration; or
- a U.S. citizen residing outside the U.S.

This guide may also apply to you if you are:

- a member of the National Guard activated on State orders, in some states.

See state requirements in *Chapter 2 Absentee voting procedures by state or territory*.

This guide does NOT apply to you if:

- you are located at your voting residence on election day. Depending on your state, you may vote in-person (early or on election day), or absentee from your legal residence.

Chapter 1

To vote locally, contact your election office, visit vote.gov or complete a National Voter Registration Form (NVRF). The NVRF may also be obtained from your Installation Voter Assistance Office (IVA Office), or from the Election Assistance Commission website (EAC.gov).

Contact your state election office or website for more information. See *Chapter 2 Absentee voting procedures by state or territory* for contact information.

How do you vote absentee?

There are three steps to voting absentee in an election:

Step 1: Register and request your absentee ballot using the Federal Post Card Application (FPCA)

Provided under federal law, the FPCA registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year.

To get an FPCA

Online version:

- Use the online assistant at FVAP.gov to complete your FPCA. The online assistant guides you through your state's required information to complete the form. Once you have finished, download the PDF package, print, sign, and send.
- Visit FVAP.gov to download the fillable FPCA. Complete it using your state's requirements listed in Chapter 2 of the Voting Assistance Guide. Then print, sign, and send.
- NOTE: You will need to provide an envelope to send your completed FPCA by mail. Envelope templates are available to download online at FVAP.gov.

Hardcopy version:

- Get a hardcopy FPCA from a Voting Assistance Officer (VAO), at an Installation Voter Assistance (IVA) Office at any military installation, or at a U.S. embassy or consulate.
- Make a copy of the FPCA found in this Chapter or the Appendix of the Voting Assistance Guide.

Send your completed and signed FPCA, and any required documentation, to your election official.

To find your state transmission methods, see state requirements in *Chapter 2 Absentee voting procedures by state or territory*.

How often should I complete an FPCA? To ensure you continue to receive absentee ballots during your time away from your voting residence, be sure to *submit a new FPCA every January*, each time you move, or at least 90 days prior to the election you want to vote in.

Step 2: Receive your absentee ballot

Your election official will process your FPCA to determine the appropriate ballot to send you. If you have questions about the status of your FPCA, contact your local election office directly. Your local election official will contact you if your application is denied or if they need additional information from you in order to process your form.

How do I know what information must be included in the FPCA? Chapter 2 of the Voting Assistance Guide provides instructions for each state and territory for completing and transmitting the FPCA.

Election officials are required to send absentee ballots no later than 45 days before an election for those who are registered and have requested a ballot. If you submit your FPCA within 45 days of the election, they will send your ballot as soon as possible, upon processing your form.

All states must allow you to receive your blank absentee ballot electronically, when requested. This may include email, fax, or online download.

Step 3a: Return your voted state ballot

Vote and return your state absentee ballot as soon as you receive it with special attention to the specific methods of return authorized in your state. Follow the instructions sent with your ballot to mark and return your ballot. Pay special attention to whether or not your state requires the use of a secrecy envelope for your voted ballot.

Know the deadline. The date when your election office must receive your completed ballot is set by each state.

See state requirements in *Chapter 2 Absentee voting procedures by state or territory*.

Step 3b: If you do not receive your state ballot

If you do not receive your state absentee ballot in time to return it or you will not have regular mail service during the election period, use the Federal Write-In Absentee Ballot (FWAB).

The FWAB serves as a backup ballot for voters covered by *UOCAVA*. The FWAB can be used in all states and territories to vote for federal offices (President/Vice President, U.S. Senate, U.S. Representative and Delegate or Resident Commissioner). Some states allow the FWAB to be used to vote for state and local offices, ballot questions, and referenda.

See state requirements in *Chapter 2 Absentee voting procedures by state or territory*.

To get a FWAB

Online version:

- Use the online assistant at [FVAP.gov](https://fvap.gov) to complete the FWAB. The online assistant uses your state's requirements as you go through the process of completing the FWAB. Then, download the PDF package, print, sign, and send.
- Visit [FVAP.gov](https://fvap.gov) to download the fillable FWAB. Complete it using the state requirements listed in Chapter 2 of the Voting Assistance Guide. Then print, sign, and send.
- NOTE: You will need to have your own envelopes to submit your completed FWAB by mail. Envelope templates are available to download online at [FVAP.gov](https://fvap.gov). Please pay particular attention to whether your state requires the use of a secrecy envelope for the voted ballot.

What if I do not receive my absentee ballot and the election is 30 days away? If you do not receive your state absentee ballot 30 days before the election, use the Federal Write-In Absentee Ballot (FWAB). Information about the FWAB can be found in Chapter 1 and in your state's pages in Chapter 2.

What do I do if I don't know all the candidates running for office when completing the FWAB? You can write in party affiliation - name misspellings are okay. You can also contact your local election office on where to find candidate information.

Chapter 1

Hardcopy version:

- Get a hardcopy FWAB from a Voting Assistance Officer (VAO), at an Installation Voter Assistance (IVA) Office at any military installation, or at a U.S. embassy or consulate.
- Make a copy of the FWAB found in Chapter 1 or the Appendix of the Voting Assistance Guide.

Send your completed and signed FWAB package to your election official.

To find your state transmission methods, see state requirements in *Chapter 2 Absentee voting procedures by state or territory*.

The FWAB consists of:

- Voter Information Page
- Official Backup Ballot/Ballot Secrecy Envelope
- Mailing Envelope

Send your completed and signed FWAB to your election official.

To find your state transmission methods, see state requirements in *Chapter 2 Absentee voting procedures by state or territory*.

If you receive your state absentee ballot after submitting the FWAB, complete and return it. If both the FWAB and state absentee ballot are received by the deadline, only one will be counted.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your Alabama-issued ID number or the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Alabama-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence.
Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your

absentee ballot online, you must provide your email address.

Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail" or "email or online." B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You **must mail** your signed FPCA to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail** or **online***.

Contact information can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot.

Additional information about this label can be found in the "Important Information" section.

***Online only if you requested your absentee ballot by email or online and are located outside the territorial limits of the United States. Instructions for this option will be provided when your state absentee ballot is transmitted to you electronically.**

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

You can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Alabama-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Alabama-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional

information from you in order to accept your FWAB.

Section 5 A. Do not check "Yes" or "No." **The FWAB cannot be used for voter registration or as a ballot request.**

B. Do not make a selection. If you want to receive election materials you must submit an FPCA to your election office.

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form.

This form must have two witness signatures.

Section 7 Sign and date the form.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

If you are voting in Alabama's primary election, please note that the **primary** is Ranked Choice Voting for federal offices. You will be able to rank federal candidates in order of preference. Since there may be more than one candidate registered as affiliated with a political party or group in each race, to make sure your ballot can be counted, it is important that you write the candidate name and NOT the political party or group. For more information, visit <http://www.alabamavotes.gov/>.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about

this label can be found in the "Important Information" section or online at [FVAP.gov](https://fvap.gov).

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
What is a runoff election?	A runoff election is an election held if the state requires that a candidate receive a certain percentage of the votes in order to advance to a general election or take public office.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	No.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.

How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://www.voterview.ar-nova.org/voterview
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/arkansas

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Arkansas, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Arkansas-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Arkansas-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want

your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, you must provide your email address.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail" or "email or online."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You **must mail** your signed FPCA to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

You can use the FWAB to vote in federal elections.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Arkansas-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Arkansas-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registered to vote. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.

Section 5 A. Do not check "Yes" or "No." **The FWAB cannot be used for voter registration or as a ballot request.**

B. If you want to register to vote, request a ballot, or receive voting materials, you **must submit an FPCA** to your election official.

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state

absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11-DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., who has not previously registered to vote in another state, and whose parent or legal guardian was a California resident when they were last living in the U.S., is eligible to vote in California.

I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?

Yes.

How can I check the status of my ballot?

You can check the status of your absentee ballot here:
<https://voterstatus.sos.ca.gov/>

Does my state have any online tools?

You can see if your state has any online tools available here:

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In California, voters do not need to request an absentee ballot; all active registered voters are sent an absentee ballot for every election.

If you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

Provide your California-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers enter in Section 6: "I do not have a Social Security Number or California-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of

your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. Voters who do not provide a political party affiliation can vote for the office of U.S. President in a presidential primary election if the political party allows it. Political party affiliation is not required if requesting an absentee ballot for other primary elections or general elections.

Section 6 Provide any information that may assist your election official in accepting this form.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

If you are using the FPCA to **register to vote**, you **must mail or fax** the form. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

If you are already registered and are using the FPCA to **update your registration information** you can **mail, email, or fax** your signed form to your election official.

Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail** or **fax**.*

Contact information can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

***Fax only if you are overseas or activated within 7 days of the election.**

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

In California, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FWAB's voter information page

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Section 6 Provide any information that may assist the election official in accepting this form.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in the candidate's name for each office. You are not required to make a selection for each and every contest.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Colorado, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your Colorado-issued ID number or the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Colorado-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.
Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding

address, use the forwarding address space to provide this information.

Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.
Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." B. Political party is not required.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the Federal Election Deadlines chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

In Colorado, if you are using this form to register to vote, you are not required to submit proof of citizenship.

How and where to submit your FWAB

You can submit the FWAB by **mail, email, online,** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Your date of birth is required.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or

fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

In addition to mailing a regular ballot, Connecticut provides a State Special Blank Write-In Absentee Ballot up to 90 days before the election to Uniformed Service members and their eligible family members unable to vote in the regular absentee voting process due to military contingencies. This ballot allows you to vote for local, state and federal offices. To request it, write in Section 6: "Due to military contingencies, I am unable to follow the regular absentee ballot application process. I request a special write-in absentee ballot."

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You **must mail** your signed FPCA to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit [FVAP.gov](https://www.fvap.gov) for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

You can use the FWAB to vote in federal elections.

Complete the following sections of the FWAB's voter information page

Section 1	Select the category that best describes you. Enter your current name (Last, First). Please provide a previous name, if applicable. Your date of birth is required.
Section 2	Enter the complete street address of your voting residence where you are registered to vote. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.
Section 3	Enter your current mailing address.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.

Section 5	A. Do not check "Yes" or "No." The FWAB cannot be used for voter registration or as a ballot request. B. If you want to register to vote, request a ballot, or receive voting materials, you must submit an FPCA to your election official. C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.
Section 6	Provide any information that may assist the election official in accepting this form.
Section 7	Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FWAB (Hardcopy Instructions): Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Mail your FWAB (Printed PDF Instructions): If you are using a printed version of the FWAB you will need **two envelopes for your ballot to be accepted by Connecticut**. One envelope must be marked "Official Ballot" and the other envelope will be used as the mailing envelope. Place and seal the completed "Official Backup Ballot" into the envelope marked "Official Ballot." Then place that envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at [FVAP.gov](https://www.fvap.gov).

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this state?	A U.S. citizen who has never resided in the U.S. and has a parent or legal guardian who was last domiciled in Delaware, is eligible to vote as a "federal voter" and may vote for federal offices only.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Delaware, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Delaware-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers, you must enter in Section 6: "I do not have a Social Security Number or Delaware-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need

to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit [FVAP.gov](https://www.fvap.gov) for specific deadlines.

You can submit the state absentee ballot by **mail**, **email**, or **fax**.

Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> voters are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine which candidates will appear on the general election ballot.
What is a runoff election?	A Georgia runoff election is a subsequent election held when no candidate receives a majority of the votes cast. The runoff is conducted between the two candidates receiving the highest number of votes to determine the final winner.

I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S. and has a parent or legal guardian who was last registered in Georgia, is eligible to vote in Georgia.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	No.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: http://www.mvp.sos.ga.gov/MVP/mvp.do
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/georgia

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Georgia, if you are using the FPCA to register to vote you are required to submit proof of citizenship with your completed form. Provide one of the following (include a copy, do not send original documents): Georgia driver's license or identification card number; a driver's license or identification card issued by an equivalent government agency of another state, provided that citizenship is indicated on that card; birth certificate; United States passport; United States naturalization documents, or the alien registration number from those documents; other documents or methods of proof established pursuant to the federal Immigration Reform and Control Act of 1986; or Bureau of Indian Affairs card, tribal treaty card, or tribal enrollment card. If you do not have any of these documents, contact your election office (<https://www.fvap.gov/search-offices>).

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Georgia driver's license number **or** Georgia-issued ID number. If you do not have either of these numbers, provide the last four digits of your Social Security Number. If you do not have any of these numbers, you must enter in Section 6: "I do not have a Social Security Number, Georgia driver's license, or Georgia-issued ID number."

Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.
Section 3	Enter your current mailing address, even if you are requesting your ballot electronically. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot electronically, you must provide your email address.
Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail" or "email or online."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

With your ballot package, you will receive a primary/general election ballot and an instant runoff ballot. Follow the instructions included in your ballot package to vote and return your ballot. The primary/general election ballot must be returned according to the applicable deadlines provided in the "Federal Election Deadlines" chart for the State Primary or General Election. The instant runoff ballot must be returned according to the applicable deadlines for the Primary Runoff or General Runoff. For special federal elections, visit [FVAP.gov](https://www.fvap.gov) for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

In Georgia, if you are using the FWAB to register to vote you are required to submit proof of citizenship with your completed form. Provide one of the following (include a copy, do not send original documents): Georgia driver's license or identification card number; a driver's license or identification card issued by an equivalent government agency of another state, provided that citizenship is indicated on that card; birth certificate; United States passport; United States naturalization documents, or the alien registration number from those documents; other documents or methods of proof established pursuant to the federal Immigration Reform and Control Act of 1986; or Bureau of Indian Affairs card, tribal treaty card, or tribal enrollment card. If you do not have any of these documents, contact your election office (<https://www.fvap.gov/search-offices>).

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FWAB's voter information page

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your Georgia driver's license number or Georgia-issued ID number. If you do not have either of these numbers, provide the last four digits of your Social Security Number. If you do not have any of these numbers, you must enter in Section 6: "I do not have a Social Security Number, Georgia driver's license, or Georgia-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.
Section 3	Enter your current mailing address, even if you are requesting your ballot electronically. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. If you want to receive your absentee ballot electronically, you must provide your email address.
Section 5	A. Check "Yes" if you would like to register to vote and/or request an absentee ballot, otherwise check "No." B. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail" or "email or online." C. To vote in primary elections, you must enter the name of the party

primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6	Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

Vote your primary/general election ballot (sealed in separate ballot envelope) with the candidates included in the online assistant. You may also submit a simultaneous second ballot for a possible runoff election (sealed in a second separate runoff ballot envelope) using the following Instant Voting Instructions. Instant Voting is only allowed for use in runoff elections where a federal candidate appears on the runoff ballot. When using a FWAB, you should indicate your order of preference on the "Official Backup Ballot" page for each candidate for each office to be voted on in a runoff, by writing the name and offices of candidates you wish to vote for and their rank. Place a numeral "1" next to the name of the candidate who is your first choice, the numeral "2" next to the name of the candidate who is your second choice, and so forth. For more information, visit www.sos.ga.gov.

Both the primary/general election and runoff ballot envelopes can be mailed in a single outer mailing envelope to your county election office. NOTE: Each ballot must include a completed and signed "Voter Information" page.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.

It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Guam requires that if you are using this form to register to vote you are required to submit proof of citizenship with your FPCA. Provide one of the following (include a copy, do not send original documents): U.S. Passport, Naturalization Certificate, Consular Report of Birth Abroad, or U.S. Birth certificate, along with a state or government issued Photo Identification Card.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your Guam-issued ID number or the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Guam-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.
Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." B. Political party is not required.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FWAB (Hardcopy Instructions): Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Mail your FWAB (Printed PDF Instructions): If you are using a printed version of the FWAB you will need **two envelopes for your ballot to be accepted by Idaho.**

One envelope must be marked "Official Ballot" and the other envelope will be used as the mailing envelope. Then place that envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

You must provide your Illinois-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Illinois-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registered to vote. You cannot use a post office as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.

Section 5 A. Do not check "Yes" or "No." **The FWAB cannot be used for voter registration or as a ballot request.**

B. If you want to register to vote, request a ballot, or receive voting materials, you **must submit an FPCA** to your election official.

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB (Hardcopy Instructions): Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Mail your FWAB (Printed PDF Instructions): If you are using a printed version of the FWAB you will need **two envelopes for your ballot to be accepted by Illinois**. One envelope must be marked "Official Ballot" and the other envelope will be used as the mailing envelope. Place and seal the completed "Official Backup Ballot" into the envelope marked "Official Ballot." Then place that envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label. It provides free express mail service to your election official for voted absentee ballots mailed on or before the November general election. You can request to have a Prepaid Mail Label 11-DoD applied to your ballot at Military Postal Office

	locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	No.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes, but only if deployed for service outside of Indiana.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: http://www.indianavoters.com
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/indiana

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Indiana, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. To register to vote, you must provide your Indiana-issued ID number or the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "None."	Section 2	For ballot request only, please see Section 6. Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route or does not receive residential delivery from USPS, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.
		Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
		Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.
		Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting

an absentee ballot for general elections.

- Section 6 For ballot request only, you must provide one of the following:
- 1) Indiana-issued ID number, the last four digits of your Social Security Number, **or** the ID number found on your Indiana registration record; **or**
 - 2) a photocopy of your valid Indiana drivers license **or** Indiana identification card **or** a photocopy of a photo ID that complies with the state's photo ID law, including U.S. passports and military identification. Visit in.gov/sos/elections/voter-information/photo-id-law/ for more information.

- Section 7 Sign and date the form. No witness signature required.

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail**, **email**, or **fax**.

Contact information can be found in the "Local Election Offices" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

U.S. citizens residing outside the United States and intend to return, active duty Uniformed Service Members and Merchant Marines and their eligible family members can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

If you are a **U.S. citizen residing outside the United States and your return is not certain**, you can use the FWAB to vote in all elections for federal office.

Complete the following sections of the FWAB's voter information page

- Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

Section 3	Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.
Section 5	A. Do not check "Yes" or "No." The FWAB cannot be used for voter registration or as a ballot request. B. If you want to register to vote, request a ballot, or receive voting materials, you must submit an FPCA to your election official. C. Political party is not required.

Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, into your computer. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet." Email this ballot package directly to your election official.

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

You can submit the FWAB by **mail, email, or fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent or legal guardian who was last domiciled in Iowa, is eligible to vote in Iowa.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.

How can I check the status of my ballot?	You can check the status of your absentee ballot here: sos.iowa.gov/elections/absenteeballotstatus/search.aspx
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/iowa

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Iowa, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Iowa-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Iowa-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a

different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

If you are an **overseas Uniformed Service member**, you can submit the state absentee ballot by **mail**, **email**, or **fax**.

All other UOCAVA voters, must submit the state absentee ballot by **mail**. (You can **email** or **fax** your state absentee ballot **only if located in a hostile fire area**).

Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is 'temporary registration'?	The FPCA will only temporarily register you to vote. This means that you will be registered and can vote in the elections in which the FPCA allows you to do so.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent or legal guardian who was last domiciled in Kansas, is eligible to vote in Kansas.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	No.

How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://myvoteinfo.voteks.org/
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/kansas

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) temporarily registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Kansas, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Kansas-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers, you must enter in Section 6: "I do not have a Social Security Number or Kansas-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or fax. If you want your election materials sent to a different address or have a forwarding address, use the

forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail**, **email**, or **fax**.

Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

You can use the FWAB to vote in federal elections.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, into your computer. Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent or legal guardian who was last domiciled in Kentucky, is eligible to vote in Kentucky.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.

How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://vrsws.sos.ky.gov/vic/
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/kentucky

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Kentucky, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional

information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit [FVAP.gov](https://www.fvap.gov) for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

In Kentucky, if you are using this form to register to vote, you are not required to submit proof of citizenship.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Check "Yes" if you would like to register to vote and/or request an absentee ballot, otherwise check "No."

B. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FWAB (Hardcopy Instructions): Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter

Information" page into the mailing envelope and mail your FWAB directly to your election official.

Mail your FWAB (Printed PDF Instructions): If you are using a printed version of the FWAB you will need **two envelopes for your ballot to be accepted by Kentucky**. One envelope must be marked "Official Ballot" and the other envelope will be used as the mailing envelope. Place and seal the completed "Official Backup Ballot" into the envelope marked "Official Ballot." Then place that envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at [FVAP.gov](https://www.fvap.gov).

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
What is a runoff election?	A Louisiana closed party runoff election is held if no candidate for a party primary office received 50% plus 1 vote in the primary election.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	No.

I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges? Yes.

How can I check the status of my ballot? You can check the status of your absentee ballot here: <https://voterportal.sos.la.gov/>

Does my state have any online tools? You can see if your state has any online tools available here: <https://www.fvap.gov/louisiana>

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Louisiana, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Louisiana-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Louisiana-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need

to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. Political party affiliation is not required if requesting an absentee ballot for other primary elections or general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission

Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit [FVAP.gov](https://www.fvap.gov) for specific deadlines.

You can submit the state absentee ballot by **mail** or **fax**.

Contact information can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

You can use the FWAB to vote in federal elections.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Louisiana-issued ID number **or** the last four digits of your

Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Louisiana-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registered to vote. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.

Section 5 A. Do not check "Yes" or "No." **The FWAB cannot be used for voter registration or as a ballot request.**

B. If you want to register to vote, request a ballot, or receive voting materials, you **must submit an FPCA** to your election official.

C. Political party affiliation is not required if voting an absentee ballot in other primary elections and all general elections.

Section 6 Provide any information that may assist the election official in accepting this form.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name for each office. You are not required to make a selection for each and every contest.

Louisiana's general election system is Ranked Choice Voting. Please list your candidates in order of preference. Since there may be more than one candidate registered as affiliated with a political party or group in each race, to make sure your ballot can be counted, it is important that you write the candidate name and **NOT** the political party or group. For more information, visit [GeauxVote.com](https://www.GeauxVote.com).

How and where to submit your FWAB

You can submit the FWAB by **mail** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB (Hardcopy Instructions): Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Mail your FWAB (Printed PDF Instructions): If you are using a printed version of the FWAB you will need **two envelopes for your ballot to be accepted by Louisiana**. One envelope must be marked "Official Ballot" and the other envelope will be used as the mailing envelope. Place and seal the completed "Official Backup Ballot" into the envelope marked "Official Ballot." Then place that envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in all elections for federal and state offices as well as ballot measures.

In Maine, if you are using this form to register to vote, you are not required to submit proof of citizenship.

Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

Maine election law provides for the use of Ranked Choice Voting (RCV) if three or more candidates have qualified to be listed on the ballot for an office. For a primary election, RCV is used for all federal offices (President, U.S. Senator and Representative to Congress) and members of the state legislature (state senator and representative to the legislature). For general elections, RCV is used only for federal offices. You may rank as many or as few candidates as you would like. Place a number "1" next to the name of the candidate who is your first choice, the number "2" next to the name of the candidate who is your second choice, and so on. For more information, visit <https://www.maine.gov/sos/cec/elec/>.

How and where to submit your FWAB

You can submit the FWAB by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent or legal guardian who was last domiciled in Massachusetts, is eligible to vote in Massachusetts.

I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges? Yes.

How can I check the status of my ballot? You can check the status of your absentee ballot here: www.TrackMyBallotMA.com

Does my state have any online tools? You can see if your state has any online tools available here: <https://www.fvap.gov/massachusetts>

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Massachusetts, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

Section 2 Enter the complete street address of your voting residence where you are requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be postmarked and returned according to the deadlines provided in the "Federal Election Deadlines" chart. For special federal elections, visit [FVAP.gov](https://www.fvap.gov) for specific deadlines.

You can submit the state absentee ballot by **mail**, **email**, **online**, or **fax**.

Contact information can be found in the "Local Election Offices" section. Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used as a ballot request. If you are using the FWAB as a ballot request, it **must** be received by the request deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in all elections for federal, state, and local offices as well as ballot measures.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

Section 2 Enter the complete street address of your voting residence where you are requesting an absentee ballot. You

cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Check "Yes" if you would like to request an absentee ballot, otherwise check "No." *You cannot use this form to register to vote.*

B. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

For a primary election, write the candidate name and not the political party as there may be more than one candidate affiliated with a political party in each race.

How and where to submit your FWAB

You can submit the FWAB by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at [FVAP.gov](https://www.fvap.gov).

Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at [FVAP.gov](https://www.fvap.gov), into your computer. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet." Email this ballot package directly to your election official.

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at [FVAP.gov](https://www.fvap.gov), directly to your election official. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent, legal guardian or spouse who was last domiciled in Michigan, is eligible to vote in Michigan as long as he or she has not registered or voted in another state.

I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?

Yes.

How can I check the status of my ballot?

You can check the status of your absentee ballot here: [Michigan.gov/Vote](https://www.michigan.gov/Vote)

Does my state have any online tools?

You can see if your state has any online tools available here: <https://www.fvap.gov/michigan>

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Michigan, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Michigan-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Michigan-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need

to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

If you are a uniformed service member on active duty and are absent from the United States, and wish to return your voted ballot using Michigan's online portal, you must use your Common Access Card (CAC) to digitally sign in this section *in addition to* including your handwritten signature beneath the CAC signature.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found online at [FVAP.gov](https://fvap.gov).

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your local election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your local election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your local election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

Your FPCA should be sent directly to your local election official. **Full contact information for all local jurisdictions can be found online at [FVAP.gov](https://fvap.gov).** Contact information can be found in the "Local Election Offices" section for the largest jurisdictions in Michigan, but if you do not know your local election official's mailing address or do not have access to the internet, you may send your FPCA to your county which will forward your FPCA to your local election official.

Please provide for additional mailing time if you send your FPCA to the county. Your FPCA must be received by your local election official by the receipt deadline even if it is received by the county before this deadline.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit [FVAP.gov](https://fvap.gov) for specific deadlines.

The state absentee ballot **must be mailed** to your local election official. **An online portal is available to return a voted ballot if you are a uniformed service member on active duty and are absent from the United States, and previously digitally signed your FPCA or Michigan absent voter ballot application using your Common Access Card (CAC).**

The address of your local election official can be found online at [FVAP.gov](https://fvap.gov). *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Your ballot should be sent directly to your local election official. **Full contact information for all local jurisdictions can be found online at [FVAP.gov](https://fvap.gov).** Contact information can be found in the "Local Election Offices" section for the largest jurisdictions in Michigan, but if you do not know your local election official's mailing address or do not have access to the internet, you may send your ballot to your county which will forward your ballot to your local election official.

Please provide for additional mailing time if you send your ballot to the county. Your ballot must be received by your local election official by the ballot receipt deadline even if it is received by the county before this deadline.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

In Michigan, if you are using this form to register to vote, you are not required to submit proof of citizenship.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5

A. Check "Yes" if you would like to register to vote and/or request an absentee ballot, otherwise check "No."

B. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this ballot or application. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your local election official. Addresses can be found online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your local election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Your FWAB should be sent directly to your local election official. **Full contact information for all local jurisdictions can be found online at FVAP.gov.** Contact information can be found in the "Local Election Offices" section for the largest jurisdictions in Michigan, but if you do not know your local election official's mailing address or do not have access to the internet, you may send your FWAB to your county which will forward your FWAB to your local election official.

Please provide for additional mailing time if you send your FWAB to the county. Your FWAB must be received by your local election official by the receipt deadline even if it is received by the county before this deadline.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent who was last domiciled in Minnesota, is eligible to vote as a "federal voter" and may vote for federal offices only.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://mnvotes.sos.mn.gov/abstatus/index

Does my state have any online tools?

You can see if your state has any online tools available here:
<https://www.fvap.gov/minnesota>

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Minnesota, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Minnesota-issued ID number **or** the last four digits of your Social Security Number. If you do not have access to any of these numbers, leave this section blank.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties to this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email, you must provide your email address.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail" or "email or online."

B. Political party is not required.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be postmarked and returned according to the deadlines provided in the "Federal Election

Deadlines" chart. For special federal elections, visit [FVAP.gov](https://fvap.gov) for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You can use the Federal Write-In Absentee Ballot (FWAB) to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

U.S. citizens residing outside the United States whose return is not certain and **U.S. citizens who have never resided in the United States** can use the FWAB to vote in all elections for federal office.

All other UOCAVA voters can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

In Minnesota, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Minnesota-issued ID number **or** the last four digits of your Social Security Number. If you do not have access to any of these numbers, leave this section blank.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. If you want to receive your absentee ballot by email, you must provide your email address.

Section 5 A. Check "Yes" if you would like to register to vote and/or request an absentee ballot, otherwise check "No."

B. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail" or "email or online."

C. Political party is not required.

Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote for a federal office, write in either a candidate's name or political party for each office. To vote for a state or local office, write in a candidate's name. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at [FVAP.gov](https://fvap.gov).

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
What is a runoff election?	A runoff election is an election held if the state requires that a candidate receive a certain percentage of the votes in order to advance to a general election or take public office.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	No.

I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?

Yes.

How can I check the status of my ballot?

You can check the status of your absentee ballot by contacting your election official. Contact information can be found in the "Local Election Offices" section.

Does my state have any online tools?

You can see if your state has any online tools available here: <https://www.fvap.gov/mississippi>

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Mississippi, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Mississippi-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Mississippi-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need

to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it **must** be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail**, **email**, or **fax**.

Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Elections Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

In Mississippi, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure

transmission method available to protect your personal information.

Complete the following sections of the FWAB's voter information page

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your Mississippi-issued ID number or the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Mississippi-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.
Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.
Section 5	A. Check "Yes" if you would like to register to vote and/or request an absentee ballot, otherwise check "No." B. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

Mississippi provides Ranked Choice Voting for *UOCAVA* voters. Please list your candidates in order of preference. Since there may be more than one candidate registered as affiliated with a political party or group in each race, to make sure your ballot can be counted, it is important that you write the candidate name and NOT the political party or group. For more information, visit <https://www.sos.ms.gov/yall-vote>.

How and where to submit your FWAB

You can submit the FWAB by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, into your computer. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet." Email this ballot package directly to your election official.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	No.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.

How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://www.momilitaryvote.com/
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/missouri

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Missouri, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your Missouri-issued ID number or the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Missouri-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence.
Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding

address, use the forwarding address space to provide this information.

Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.
Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail, email, or fax (email or fax only if you are located in a hostile fire area).**

Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

In Missouri, if you are using this form to register to vote, you are not required to submit proof of citizenship.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

You can submit the FWAB by **mail, email, or fax** (*email or fax only if you are located in a hostile fire area*).

Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://fvap.gov).

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at [FVAP.gov](https://fvap.gov).

Email your FWAB: (*only if you are located in a hostile fire area*). Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at [FVAP.gov](https://fvap.gov), into your computer. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet." Email this ballot package directly to your election official.

Fax your FWAB: (*only if you are located in a hostile fire area*). Once your FWAB is complete, sign and date the "Voter Information" page. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent that was last eligible to vote in Montana, is eligible to vote in Montana as long as he or she has not registered or voted in another state.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.

How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://votemt.gov
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/montana

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Montana, if you are using this form to register to vote, you may be required to submit proof of citizenship with your FPCA (check <https://www.fvap.gov/montana> for more information).

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your Montana-issued ID number or the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Montana-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence.
Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a

different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.
Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." B. Political party is not required.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email or online**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit [FVAP.gov](https://fvap.gov) for specific deadlines.

You can submit the state absentee ballot by **mail**, **email**, or **fax**.

Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

In Montana, if you are using this form to register to vote, you may be required to submit proof of citizenship with your FWAB (check <https://www.fvap.gov/montana> for more information).

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Montana-issued ID number **or** the last four digits of your

Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Montana-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Check "Yes" if you would like to register to vote and/or request an absentee ballot, otherwise check "No."

B. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

C. Political party is not required.

Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

You can submit the FWAB by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://fvap.gov).

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at [FVAP.gov](https://fvap.gov).

Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at [FVAP.gov](https://fvap.gov), into your computer. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet." Email this ballot package directly to your election official.

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at [FVAP.gov](https://fvap.gov), directly to your election official. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent currently registered in Nebraska, is eligible to vote in Nebraska as long as he or she has not registered or voted in another state.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://www.votercheck.necvr.ne.gov/VoterView/

Does my state have any online tools?

You can see if your state has any online tools available here:

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Nebraska, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Nebraska-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Nebraska-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding

address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail, email, or fax** (*email or fax requires prior approval, contact your local election office*).

Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote and/or request an absentee ballot. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart. If you are using the FWAB to request an absentee ballot, it must be received by the ballot request deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

In Nebraska, if you are using this form to register to vote, you are not required to submit proof of citizenship.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Nevada, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your Nevada-issued ID number. If you do not have a Nevada-issued ID number, then you must provide the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Nevada-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an

absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.
Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax** or use Nevada's **online system** (NVEASE.gov). Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In New Hampshire, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your New Hampshire driver's license number, New Hampshire state issued non-driver's license number, New Hampshire state issued voter ID card number, **or** the last four digits of your Social Security Number.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email. If you want your election materials sent to a different address or have a forwarding address, use the

forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email, you must provide your email address.

Section 5 A. Select your preferred method of receiving your absentee ballot. If you would like to receive your absentee ballot by mail, check the box that says "mail." If you would like to receive your absentee ballot by email, check the box that says "email or online."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section, online at FVAP.gov or <https://app.sos.nh.gov/clerkinformation>.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit [FVAP.gov](https://fvap.gov) for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section or visit <https://app.sos.nh.gov/clerkinformation>. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

You can use the FWAB to vote in federal elections.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your New Hampshire driver's license number, New Hampshire state issued non-driver's license number, New Hampshire state issued voter ID card number, **or** the last four digits of your Social Security Number.

Section 2 Enter the complete street address of your voting residence where you are registered to vote. You cannot use a post office box as your residence address. If your address is a rural route,

use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.

Section 5 A. Do not check "Yes" or "No." **The FWAB cannot be used for voter registration or as a ballot request.**

B. If you want to register to vote, request a ballot, or receive voting materials, you must submit an FPCA to your election official.

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Undeclared voters must write in Section 6 "I want to remain an undeclared voter." Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Contact information can be found in the "Local Election Offices" section, online at [FVAP.gov](https://fvap.gov) or <https://app.sos.nh.gov/clerkinformation>.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the

"Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at [FVAP.gov](https://www.fvap.gov).

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	Yes.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.

How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://nj.gov/state/elections/vote-track-my-ballot.shtml
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/new-jersey

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In New Jersey, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your New Jersey-issued ID number or the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or New Jersey-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.
Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want

your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.
Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit [FVAP.gov](https://www.fvap.gov) for specific deadlines.

You can submit the ballot by **mail**, **email**, or **fax**. If you send it by email or fax you **must** also immediately mail your ballot to the Board of Election.

Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

U.S. citizens residing outside the United States whose return is not certain, can use the FWAB to vote in all elections for federal office.

All other UOCAVA voters can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your New Jersey-issued ID number **or** the last four digits

of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or New Jersey-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registered to vote. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.

Section 5 A. Do not check "Yes" or "No." **The FWAB cannot be used for voter registration or as a ballot request.**

B. If you want to register to vote, request a ballot, or receive voting materials, you **must submit an FPCA** to your election official.

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB can be submitted by **mail**, **email**, or **fax**. If you send it by email or fax you **must** also immediately mail your FWAB to the Board of Election.

Contact information can be found in the "Local Election Offices" section.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Email your FWAB: (*The FWAB must also be mailed*). Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, into your computer. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet." Email this ballot package directly to your election official.

Fax your FWAB: (*The FWAB must also be mailed*). Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In New Mexico, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Social Security Number.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box or commercial mailbox location as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want

your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it must be received by the registration deadline listed in the "Federal Election Deadlines" chart.

If you are a **Uniformed Service member (or eligible family member)**, you can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

If you are an **overseas citizen**, you can use the FWAB to vote in all elections for office which you are eligible.

In New York, if you are using this form to register to vote, you are not required to submit documentary proof of citizenship.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide the number of your New York DMV-issued ID **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or New York DMV-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Check "Yes" if you would like to register to vote and/or request an absentee ballot, otherwise check "No."

B. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to

designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB (Hardcopy Instructions): Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Mail your FWAB (Printed PDF Instructions): If you are using a printed version of the FWAB you will need **two envelopes for your ballot to be accepted by New York**. One envelope must be marked "Official Ballot" and the other envelope will be used as the mailing envelope. Place and seal the completed "Official Backup Ballot" into the envelope marked "Official Ballot." Then place that envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
What is a runoff election?	A runoff election is an election held if the state requires that a candidate receive a certain percentage of the votes in order to advance to a general election or take public office.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S. and has a parent or legal guardian that was last domiciled in North Carolina is eligible to vote in federal elections only in North Carolina.

I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges? Yes.

How can I check the status of my ballot? You can check the status of your absentee ballot here: <https://www.ncsbe.gov/voting/voter-tools-and-forms>

Does my state have any online tools? You can see if your state has any online tools available here: <https://www.fvap.gov/north-carolina>

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) temporarily registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In North Carolina, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your North Carolina-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or North Carolina-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need

to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit [FVAP.gov](https://fvap.gov) for specific deadlines.

To vote for non-federal offices, you will need to comply with a photo identification requirement which is described in the instructions that are provided with your ballot.

You can submit the state absentee ballot by **mail, email, online***, or **fax**.

Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

***You can receive, mark, and return your absentee ballot online using the North Carolina Military and Overseas Absentee Ballot portal, available at <https://votebymail.ncsbe.gov/app/uocava>.**

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to

register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

In North Carolina, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FWAB's voter information page

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your North Carolina-issued ID number or the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or North Carolina-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.
Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. If you want to receive your absentee ballot by email or online, or

	fax, you must provide your email address or fax number.	Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.
Section 5	A. Check "Yes" if you would like to register to vote and/or request an absentee ballot, otherwise check "No." B. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.	<i>Overseas Uniformed Service members</i> can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov. Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, into your computer. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet." Email this ballot package directly to your election official.
Section 6	You can use the FWAB for federal, state, and local offices, including ballot measures. To vote for non-federal offices, you must enclose a copy of photo identification (such as a North Carolina driver's license or a passport) along with this form. Visit https://BringITNC.gov for additional forms of photo ID that are acceptable for voting. If you do not have an acceptable photo ID or the ability to include a copy of an acceptable photo ID, contact your County Board of Elections. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov. If you do not provide a copy of photo ID or an exception form you can vote for federal offices only. Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.	Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet." See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.
Section 7	Sign and date the form. No witness signature required.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If your ID (below) is under a different name, provide this information in the previous name area.

Your date of birth is required.

You **must** provide **one** of the following: your North Dakota-issued ID number, Tribal ID number, Military ID number, or passport number.

Section 2 Enter the complete street address of your voting residence where you are eligible to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. Political party is not required.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail**, **email or online**, or **fax**.

Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used as a ballot request. If you are using the FWAB as a ballot request, it **must** be received by the request deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Ohio, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Ohio-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Ohio-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission

Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Ohio-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Ohio-issued ID number."

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

In Ohio, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that describes you.

Section 2

Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3

Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4

Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5

A. Check "Yes" if you would like to register to vote and/or request an absentee ballot, otherwise check "No."

B. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6

Provide any information that may assist the election official in accepting this form. You can use this space to

designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB (Hardcopy Instructions): Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Mail your FWAB (Printed PDF Instructions): If you are using a printed version of the FWAB you will need **two envelopes for your ballot**. One envelope must be marked "Official Ballot" and the other envelope will be used as the mailing envelope. Place and seal the completed "Official Backup Ballot" into the envelope marked "Official Ballot." Then place that envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
What is a runoff election?	A runoff election is an election held if the state requires that a candidate receive a certain percentage of the votes in order to advance to a general election or take public office.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent or legal guardian who was last domiciled in Oklahoma, is eligible to vote in Oklahoma using the parent's or guardian's last address in Oklahoma.

I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges? Yes.

How can I check the status of my ballot? You can check the status of your absentee ballot here: <https://okvoterportal.okelections.gov/>

Does my state have any online tools? You can see if your state has any online tools available here: <https://www.fvap.gov/oklahoma>

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Oklahoma, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

It is recommended that you provide **BOTH** your Oklahoma Driver License number **AND** the last four digits of your Social Security Number. If you are already registered and using the FPCA as a ballot request, you must provide the identification number associated with your voter registration.

If you do not have any of these numbers you must enter in Section 6: I do not have a Social Security Number or Oklahoma-issued Driver License.

*To receive your absentee ballot by electronic delivery, you **must** provide the last four digits of your Social*

Security Number. If you do not provide the last four digits of your Social Security Number, your absentee ballot will be mailed.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by electronic delivery. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by electronic delivery, you must provide your email address.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail" or "email or online."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive or you can enter No Party (Independent). Political party affiliation is not required if requesting an absentee ballot for general elections.

Learn more about political party affiliation at <https://oklahoma.gov/elections/voter-registration/political-party-info.html>.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

If your political party affiliation is listed as No Party (Independent) in Section 5, you can request a ballot for a recognized political party's primary election, if available. Learn more about political party affiliation at <https://oklahoma.gov/elections/voter-registration/political-party-info.html>.

Section 7 Sign and date the form. No witness signature required.

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail** or **fax**.

Contact information can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot.

Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in all elections for federal, state, and local offices.

In Oklahoma, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FWAB's voter information page

Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at [FVAP.gov](https://fvap.gov).

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. *Oregon mails a ballot to every registered voter. To be included in the UOCAVA mailing, please make sure you are registered at least 50 days before the election. For those registering after the 50th day before the election, a ballot will automatically be mailed to you upon acceptance of the new registration. If there is not enough time for mail delivery you can download your ballot at oregonvotes.gov/myballot and return via email.

**Ballot Return: Ballots must be postmarked by the United States Postal Service and be received by the 7th day after the election. If a ballot is received by the county elections official no later than 7 calendar days after election day with no USPS postmark, or if the postmark is missing or a non-USPS indicator is present, election officials may accept and count the ballot if they can verify the date of mailing through available USPS tools, or if a signed declaration on the ballot return envelope indicates the date of mailing.

Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in [Chapter 1](#) for details.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.

I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., is eligible to vote if they intend to reside in Oregon and have a parent, legal guardian or spouse who is a military or overseas voter under Oregon law, and that parent, legal guardian, or spouse last resided in Oregon.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: Oregonvotes.gov/military
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/oregon

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Oregon, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your Oregon-issued ID number. If you do not have an Oregon-issued ID number, provide the last four digits of your Social Security Number. If you do not have any of these numbers, you must enter in Section 6: "I do not have an Oregon-issued ID or Social Security Number."	office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.
Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.	
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.	
Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." B. To vote in a primary election for a major party, you must enter the name of the party ballot you want to receive. If you do not indicate a political party, you will receive a nonpartisan ballot. Political party affiliation is not required if requesting an absentee ballot for general elections.	
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.	
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post	
Section 7	Sign and date the form. No witness signature required.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric

	Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	No.
I am a National Guardsman activated on state orders; does my state afford me <i>UOCAVA</i> privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://www.pavoterservices.pa.gov/
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/pennsylvania

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Pennsylvania, when signing this form to register to vote, you are affirming, under penalty of perjury, that you are a citizen of the United States. Applicants are not required to submit any documents as proof of citizenship.

If you are submitting your documents by email/online, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your Pennsylvania-issued ID number or the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Pennsylvania-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an

absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, you must provide your email address.
Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail" or "email or online." B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for special or general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail** or **email**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

If you are a **Uniformed Service member or eligible family member**, you can use the Federal Write-In Absentee Ballot (FWAB) to register to vote and vote in all elections for federal, state and local offices, including ballot measures. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

In Pennsylvania, when signing this form to register to vote, you are affirming, under penalty of perjury, that you are a citizen of the United States. Applicants are not required to submit any documents as proof of citizenship.

If you are an **overseas citizen (who intends to return to the US)** and have already requested an absentee ballot, you may use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

If you are an **overseas citizen (whose intent to return to the US is uncertain)** you can only use the FWAB to vote in elections for federal office.

Complete the following sections of the FWAB's voter information page

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

	Your date of birth is required. You must provide your Pennsylvania-issued ID number or the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Pennsylvania-issued ID number."	C. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for special or general elections.
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence.	Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 3	Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.	Section 7 Sign and date the form. No witness signature required.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. If you want to receive your absentee ballot by email or online, you must provide your email address.	
Section 5	Uniformed Service members and eligible family member only: A. Check "Yes" if you would like to register to vote and/or request an absentee ballot, otherwise check "No." B. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail" or "email or online." C. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for special or general elections. Overseas citizens: A. Do not check "Yes" or "No." The FWAB cannot be used for voter registration or as a ballot request. B. If you want to register to vote, request a ballot, or receive voting materials, you must submit an FPCA to your election official.	Vote your FWAB To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest. How and where to submit your FWAB The FWAB must be mailed to your election official. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov. Mail your FWAB (Hardcopy Instructions): Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. Mail your FWAB (Printed PDF Instructions): If you are using a printed version of the FWAB you will need two envelopes for your ballot to be accepted by Pennsylvania. One envelope must be marked "Official Ballot" and the other envelope will be used as the mailing envelope. Place and seal the completed "Official Backup Ballot" into the envelope marked "Official Ballot." Then place that envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. <i>Overseas Uniformed Service members</i> can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov. See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

No Federal Elections Scheduled

Please mail your voting materials early enough to account for mail delivery times. Check the recommended mailing dates section in [Chapter 1](#) for details.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is temporary registration?	The FPCA will only temporarily register you to vote. This means that you will be registered and can vote in the elections in which the FPCA allows you to do so.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your territory in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this territory?	No.
I am a National Guardsman activated on territorial orders; does my territory afford me UOCAVA privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: By phone: (787) 764-5601 or by email: java@cee.pr.gov .
Does my territory have any online tools?	You can see if your territory has any online tools available here: https://www.fvap.gov/puerto-rico

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) temporarily registers you to vote and requests absentee ballots for a minimum of all federal elections

in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Puerto Rico requires that if you are using this form to register to vote, you are required to submit proof of citizenship with your FPCA. Provide one of the following (include a copy, do not send original documents): U.S. Passport (even if expired); U.S. Passport Card (even if expired); Original U.S. birth certificate; Consular Report of Birth Abroad; Naturalization Certificate; Certificate of Citizenship. If you do not have any of these documents, contact your election office (<https://www.fvap.gov/search-offices>).

If you are submitting your documents by email/online, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Puerto Rico-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Puerto Rico-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, you must provide your email address.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail" or "email or online."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Provide your father's and mother's first names.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail** or **email**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your territory it must be returned according to the deadlines and requirements in the "Federal Election

Deadlines" chart. For special federal elections, visit [FVAP.gov](https://fvap.gov) for specific deadlines.

The territory absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered and have already requested an absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

Uniformed Service members and their eligible family members can use the FWAB to vote in all elections for federal, territory and local offices, including ballot measures.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In South Carolina, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide at least the last four digits of your Social Security Number.
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.
Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots. You must provide your race. You must provide your previous location of registration, if in another state.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, **online**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://fvap.gov).

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Upload your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Use South Carolina's Electronic Voter Accessibility Tool to return your FPCA electronically. Go to <https://scvotes.gov/voters/military-overseas-citizens/> and follow the instructions to securely upload your FPCA.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit [FVAP.gov](https://fvap.gov) for specific deadlines.

You can submit the state absentee ballot by **mail**, **email**, or **fax**.

Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal elections.

In South Carolina, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FWAB's voter information page

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide at least the last four digits of your Social Security Number.
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence.
Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. If you want to receive your absentee ballot by email or online, or

	fax, you must provide your email address or fax number.
Section 5	A. Check "Yes" if you would like to register to vote and/or request an absentee ballot, otherwise check "No." B. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.
Section 6	Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots. You must provide your race. You must provide your previous location of registration, if in another state.
Section 7	Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

If you are voting in a party's primary election in South Carolina, it is important that you write the candidate name and NOT the political party since all candidates on the ballot will be of the same party. You are eligible to submit a separate instant runoff ballot (IRB) at the same time you submit your primary ballot. The IRB will be used in the event a runoff is necessary for any office. On the IRB, list as many candidates for each office as you wish and provide a rank beside each candidate (e.g., 1st, 2nd, 3rd, etc.). In the event of a runoff, your vote will count for the candidate in the runoff that you ranked the highest. For more information, visit <https://scvotes.gov/>.

How and where to submit your FWAB

You can submit the FWAB by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end Chapter 1 or online at FVAP.gov, into your computer. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet." Email this ballot package directly to your election official.

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In South Dakota, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your South Dakota driver's license number or South Dakota-issued ID number or the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number, South Dakota driver's license, or South Dakota-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. If your address is a rural route; if your residence address is a PO Box, rural box, or general delivery; or if you have no address, use Section 6 to describe the location of your voting residence.
Section 3	Enter your current mailing address, even if you are requesting your ballot

by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email, you must provide your email address.
Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail" or "email or online." B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

If you are using the FPCA to **register to vote**, you **must mail** the form.

If you are already registered and are using the FPCA to **request** an absentee ballot, you can **mail, email, or fax** your signed form to your election official. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your local election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your local election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your local election official. Be sure to also include the "Transmission Cover Sheet."

To find out the status of your FPCA, contact your local election official. Your local election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

The state absentee ballot **must be mailed** to your local election official. The address of your local election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

You can use the FWAB to vote in federal elections.

Complete the following sections of the FWAB's voter information page

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.
Section 2	Enter the complete street address of your voting residence where you are registered to vote. If your address is a rural route; if your residence address is a PO Box, rural box, or general delivery; or if you have no address, use Section 6 to describe the location of your voting residence.
Section 3	Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding

address, use the forwarding address space to provide this information.

Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.
Section 5	A. Do not check "Yes" or "No." The FWAB cannot be used for voter registration or as a ballot request. B. If you want to register to vote, request a ballot, or receive voting materials, you must submit an FPCA to your election official. C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.
Section 6	Provide any information that may assist the local election official in accepting this form.
Section 7	Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your local election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your local election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted

FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is 'temporary registration'?	The FPCA will only temporarily register you to vote. This means that you will be registered and can vote in all elections for the calendar year in which the FPCA is submitted.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent who was last domiciled in Tennessee, is eligible to vote in Tennessee.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.

How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://tnmap.tn.gov/voterlookup/
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/tennessee

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) temporarily registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Tennessee, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Social Security Number.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. Although you do not need to have any current ties with this address, it must still be your legal residence.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email. If you want your election materials sent to a different address or have a forwarding address, use the

forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email you must provide your email address.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail" or "email or online."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail** or **email**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted. You can also track the status of your FPCA here: <https://tnmap.tn.gov/voterlookup/>.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit [FVAP.gov](https://www.fvap.gov) for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to temporarily register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

In Tennessee, if you are using this form to register to vote, you are not required to submit proof of citizenship.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Social Security Number.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. Although you do

not need to have any current ties with this address, it must still be your legal residence.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. If you want to receive your absentee ballot by email you must provide your email address.

Section 5 A. Check "Yes" if you would like to temporarily register to vote and/or request an absentee ballot, otherwise check "No."

B. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail" or "email or online."

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope.

Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at [FVAP.gov](https://www.fvap.gov).

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is 'temporary registration'?	The FPCA will temporarily register you to vote. This means that you will be registered and can vote in the elections in which the FPCA allows you to do so. Military voters, and overseas voters with intent to return, are permanently registered 30 days after submission.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
What is a runoff election?	A runoff election is an election held if the state requires that a candidate receive a certain percentage of the votes in order to advance to a general election or take public office.

I am an American citizen, but I have never lived in the U.S., can I vote in this state? No.

I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges? Yes.

How can I check the status of my ballot? You can check the status of your absentee ballot here: <http://votetexas.gov/>

Does my state have any online tools? You can see if your state has any online tools available here: <https://www.fvap.gov/texas>

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) temporarily registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Texas, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Texas-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Texas-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If

your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online you must provide your email address.

Section 5 A. Select your preferred method of receiving your voting materials. You can choose to receive your voting materials by "mail" or "email or online."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax***. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://fvap.gov). A voter may also hand-deliver the FPCA to the early voting clerk by the 11th day before election day.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

*****IMPORTANT NOTE:** A timely faxed FPCA must be followed with a hardcopy mailed FPCA that must be received by the early voting clerk by the fourth business day after the fax. This rule does not apply to an emailed FPCA. Texas strongly recommends using email transmission instead of faxing if you wish to use the fastest delivery method for your FPCA.

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit [FVAP.gov](https://fvap.gov) for specific deadlines.

You can submit the state absentee ballot by **mail** or **fax***.

Contact information can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

***Fax only if you are located in a hostile fire area.**

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

All voters **must** be registered and have already requested an absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

If you are a U.S. citizen residing outside the United States whose return is not certain, you can use the FWAB to vote in elections for **federal** office only.

All other UOCAVA voters can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

Complete the following sections of the FWAB's voter information page

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your Texas-issued ID number or the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Texas-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registered to vote. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.
Section 3	Enter your current mailing address.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.
Section 5	A. Do not check "Yes" or "No." The FWAB cannot be used for voter registration or as a ballot request.

B. If you want to receive election materials you **must submit an FPCA** to your election official.

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

You can submit the FWAB by **mail** or **fax** (*fax only if you are located in a hostile fire area*). Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Fax your FWAB: (*only if you are located in a hostile fire area*). Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	Yes. A U.S. citizen who has never resided in the U.S. and has a parent, legal guardian, spouse, or domestic partner who was last domiciled in Utah, is eligible to vote as a "federal voter" and may vote for federal offices only.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.

How can I check the status of my ballot?	You can check the status of your absentee ballot here: ballottrax.utah.gov
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/utah

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Utah, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your Utah-issued ID number or the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or Utah-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.
Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a

different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, you must provide your email address.
Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail** or **email** or use Utah's **online voter registration system** (https://secure.utah.gov/voterreg/login.html?selection=VOTE_BY_MAIL). Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

E-Mail your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail** or **email**.

Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

In Utah, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FWAB's voter information page

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

You can submit the FWAB by **mail** or **email**. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://fvap.gov).

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at [FVAP.gov](https://fvap.gov).

Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at [FVAP.gov](https://fvap.gov), into your computer. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet." Email this ballot package directly to your election official.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S. and has a parent or legal guardian who was last domiciled in Vermont, is eligible to vote in Vermont.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: http://vote.vermont.gov/

Does my state have any online tools?

You can see if your state has any online tools available here:
<https://www.fvap.gov/vermont>

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Vermont, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Vermont-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers, you must enter in Section 6: "I do not have a Social Security Number or Vermont-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding

address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. Political party is only required for the Presidential Primary Election.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

If you have never registered before in Vermont, you must take a self-administered oath, or it may be administered by anyone over the age of 18. The Vermont voter's oath is:

"You solemnly swear (or affirm) that whenever you give your vote or suffrage, touching any matter that concerns the State of Vermont, you will do it so as in your conscience you shall judge will most conduce to the best good of the same, as established by the Constitution, without fear or favor of any person."

Once you have read the Voter's Oath, use the space provided in Section 6 to write the following: "I swear or affirm that I have taken the VT Voter's Oath."

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You **must mail** or **email** your signed FPCA to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Vermont-issued ID number **or** the last four digits of your Social Security Number. If you do not have any of these numbers, you must enter in Section 6: "I do not have a Social Security Number or Vermont-issued ID number."

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit [FVAP.gov](https://www.fvap.gov) for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

In Vermont, if you are using this form to register to vote, you are not required to submit proof of citizenship.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Check "Yes" if you would like to register to vote and/or request an absentee ballot, otherwise check "No."

B. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

C. Political party is only required for Presidential Primary Elections.

Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

If you have never registered before in Vermont, you must take a self-administered oath, or it may be administered by anyone over the age of 18. The Vermont voter's oath is:

"You solemnly swear (or affirm) that whenever you give your vote or suffrage, touching any matter that concerns the State of Vermont, you will do it so as in your conscience you shall judge will most conduce to the best good of the same, as established by the Constitution, without fear or favor of any person."

Once you have read the Voter's Oath, use the space provided in Section 6 to write the following: *"I swear or affirm that I have taken the VT Voter's Oath."*

this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB (Hardcopy Instructions): Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Mail your FWAB (Printed PDF Instructions): If you are using a printed version of the FWAB you will need **two envelopes for your ballot to be accepted by Vermont**. One envelope must be marked "Official Ballot" and the other envelope will be used as the mailing envelope. Place and seal the completed "Official Backup Ballot" into the envelope marked "Official Ballot." Then place that envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Provide one of the following (include a copy, do not send original documents): Birth certificate; U.S. Passport; Military Discharge form (DD217); Naturalization Certificate. If you do not have any of these documents, contact your election office (<https://www.fvap.gov/search-offices>).

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

To register to vote, you must provide your Social Security Number.

If you are already registered to vote and have requested a ballot, you must provide the last four digits of your Social Security Number. If you were never issued a Social Security Number you must provide your Virginia voter ID number and enter in Section 6: "No SSN ever issued."

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special elections, visit [FVAP.gov](https://www.fvap.gov) for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

In Virginia, if you are using this form to register to vote, you are not required to submit proof of citizenship.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First, Middle). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.

Section 5 A. Check "Yes" if you would like to register to vote, otherwise check "No."
You cannot use this form to request a ballot.

B. If you want to request a ballot or receive voting materials, you **must submit an FPCA** to your election official.

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form.

Overseas citizens whose return is not certain: Provide the name of your employer or the name of your spouse's or parent/guardian's employer. If you do not provide this, you will receive a ballot for federal offices only.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB (Hardcopy Instructions): Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Mail your FWAB (Printed PDF Instructions): If you are using a printed version of the FWAB you will need **two envelopes for your ballot to be accepted by Virginia**. One envelope must be marked "Official Ballot" and the other envelope will be used as the mailing envelope. Place and seal the completed "Official Backup Ballot" into the envelope marked "Official Ballot." Then place that envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a family member who was last domiciled in Washington, is eligible to vote in Washington.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	No.

How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://www.votewa.gov
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/washington

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Washington, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required.
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.
Section 3	Enter your current mailing address, even if you are requesting your ballot by email or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional

information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or fax, you must provide your email address or fax number.

Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." B. Political party is not required.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines"

chart. For special federal elections, visit [FVAP.gov](https://www.fvap.gov) for specific deadlines.

You can submit the state absentee ballot by **mail**, **email**, or **fax**.

Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

In Washington, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need

to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. If you want to receive your absentee ballot by email or fax, you must provide your email address or fax number.

Section 5 A. Check "Yes" if you would like to register to vote and/or request an absentee ballot, otherwise check "No."

B. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

You can submit the FWAB by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, into your computer. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet." Email this ballot package directly to your election official.

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S. and has a parent or legal guardian who was last domiciled in West Virginia, is eligible to vote in West Virginia.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	No.

How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://apps.sos.wv.gov/Elections/Voter/AbsenteeBallotTracking
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/west-virginia

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In West Virginia, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First, Middle). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your West Virginia-issued ID number or the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or West Virginia-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.
Section 3	Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want

your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.
Section 5	A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail, email, online, or fax**.

Contact information can be found in the "Local Election Offices" section.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

You can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

Complete the following sections of the FWAB's voter information page

Section 1	Select the category that best describes you. Enter your current name (Last, First, Middle). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required.
Section 2	Enter the complete street address of your voting residence where you are registered to vote. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of

your voting residence. You do not need to have any current ties with this address.

Section 3	Enter your current mailing address.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.
Section 5	A. Do not check "Yes" or "No." The FWAB cannot be used for voter registration or as a ballot request. B. If you want to register to vote, request a ballot, or receive voting materials, you must submit an FPCA to your election official. C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.
Section 6	Provide any information that may assist the election official in accepting this form.
Section 7	Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

You can submit the FWAB by **mail, email, or fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, into your computer. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet." Email this ballot package directly to your election official.

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the "Transmission Cover Sheet", found at the end of Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent or legal guardian who was last domiciled in Wisconsin, is eligible to vote for federal offices only.

I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges? Yes.

How can I check the status of my ballot? You can check the status of your ballot here: <https://myvote.wi.gov/en-us/Track-My-Ballot>

Does my state have any online tools? You can see if your state has any online tools available here: <https://www.fvap.gov/wisconsin>

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

In Wisconsin, if you are using this form to register to vote, you are not required to submit proof of citizenship.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Wisconsin driver's license number **or** Wisconsin-issued ID number. If you do not have any of these numbers, provide the last four digits of your Social Security Number. If you do not have a Wisconsin driver's license number, a Wisconsin-issued ID number, or a Social Security Number, you must enter in Section 6: "I do not have a Wisconsin driver's license, Wisconsin-issued ID number, or Social Security Number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post

office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or online, or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." If you would like your ballot online, you must submit the request and download your ballot yourself on MyVote.wi.gov. Temporary overseas voters cannot receive their ballot online.

B. Political party is not required.

Section 6 If you are a **U.S. citizen residing outside the United States and you intend to return (temporary overseas voter)**, who is using the form to **register**, you must enclose a proof of residence document that lists your current name and Wisconsin voting address.

If you are **U.S. citizen residing outside the United States and you intend to return (temporary overseas voter)** and using the FPCA to **request a ballot** you must provide a valid a copy of proof of identification.

Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

If you are using the FPCA to **register to vote**, you must **mail** the form.

If you are already registered and are using the FPCA to **request** an absentee ballot, you can **mail**, **email**, or **fax** your signed form to your election official. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

In the event you do not have access to the internet or you cannot call the WEC you may send your FPCA to the WEC.

Your FPCA should be returned directly to your local election official. If you do not know your local election official's mailing address or how to contact them, you can find that information at <https://MyVote.wi.gov/mymunicipalclerk>, or by contacting the Wisconsin Elections Commission (WEC) by email: elections@wi.gov, by phone: (866) 868-3947, by fax: (608) 267-0500, or by mail at:

Wisconsin Elections Commission
201 West Washington Avenue
P.O. Box 7984
Madison, WI 53707-7984

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is 'temporary registration'?	The FPCA will only temporarily register you to vote. This means that you will be registered and can vote in the elections in which the FPCA allows you to do so.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	No.

I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?

No.

How can I check the status of my ballot?

You can check the status of your absentee ballot here:
http://soswy.state.wy.us/Elections/MOVE_Overview.aspx

Does my state have any online tools?

You can see if your state has any online tools available here:

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) temporarily registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

If you are submitting your documents by email/online or fax, it is recommended you use the most secure transmission method available to protect your personal information.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Wyoming driver's license number **or** the last four digits of your Social Security Number. If you do not have any of these numbers you must enter in Section 6: "I do not have a Social Security Number or a Wyoming driver's license number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email or online, or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email or fax, you must provide your email address or fax number.

Section 5 A. Select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax."

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email**, or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission

Cover Sheet." Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet."

See the "Federal Election Deadlines" chart for the deadline for submitting the FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit [FVAP.gov](https://www.fvap.gov) for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

You can use the FWAB to vote in federal elections.

Complete the following sections of the FWAB's voter information page

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required.
Section 2	Enter the complete street address of your voting residence where you are registered to vote. You cannot use a

post office box as your residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence. You do not need to have any current ties with this address.

Section 3	Enter your current mailing address.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.
Section 5	A. Do not check "Yes" or "No." The FWAB cannot be used for voter registration or as a ballot request. B. If you want to register to vote, request a ballot, or receive voting materials, you must submit an FPCA to your election official. You may select your preferred method of receiving your absentee ballot. You can choose to receive your absentee ballot by "mail", "email or online", or "fax." C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.
Section 6	Provide any information that may assist the election official in accepting this form.
Section 7	Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the

"Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at [FVAP.gov](https://www.fvap.gov).

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Chapter 3

Guide for Voting Assistance Officers

Your responsibilities

As a Voting Assistance Officer (VAO), you are part of a worldwide network of military members, U.S. government employees, and volunteers who aid in ensuring that citizens covered under the *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)* understand their voting rights and know how to vote absentee.

These citizens include:

- An active duty member of the Uniformed Services, Merchant Marine, or commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration
- An eligible spouse or family member of an active duty member of the Uniformed Services, Merchant Marine, or commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration
- U.S. citizens residing outside the U.S.

The following areas will be covered in this chapter:

- Create an FVAP.gov Portal Account (Military only)
- Help voters
- Conduct voter outreach events
- Keep voting supplies on hand
- Additional assistance
- Run your program

Create an FVAP.gov Portal Account (Military only)

To assist your Service Branch in demonstrating that assistance is being provided according to federal law, DoD policy, and Service policy, an easy-to-use Administration Portal has been created for you to enter your voting assistance metrics.

Registering for an Account / Logging In:

On your first visit you will need to register for an FVAP portal account to submit metrics and take the online training.

You can do this from any page on [FVAP.gov](https://fvap.gov). Scroll down to the bottom of the page and on the right you will see the "Admin Portal" link.

Click the Admin Portal link and you will have the option to sign in or to create an account. Click "Create Account", and the Portal will walk you through the process of creating an account. Your account will be automatically approved if you have a .mil or a .gov email address and provide the name of your unit. If you do not have a .mil or .gov email address, or you cannot locate your unit in the portal, contact your Service Voting Action Officer. They will assist you finding your unit and approving your account.

If you visited the Portal before, you can login using your DoD Common Access Card.

A Uniformed Service member who is living within their voting jurisdiction and can vote locally is not covered under *UOCAVA*.

A quick video is also available here: [FVAP.gov/metrics-training-webinar](https://fvap.gov/metrics-training-webinar).

Chapter 3

Entering Data:

Once you log in you will see your VAO Dashboard. Click the metrics tab along the left sidebar.

The current quarter is indicated in the top left corner with text fields for entering your metrics. All your metrics are stored here. You also have the ability to view past metrics and export them into a PDF. If your metrics haven't been saved for the current quarter yet, a red box will be in the top right corner. The service requirements differ and may require input on a monthly or quarterly basis.

In the table, there are spaces to insert your metrics data. For example, if you assist 10 military members with an FPCA, then under the "Personnel Assisted" table, you would insert "10" where the "Military" column intersects with the "FPCA" row. If you distributed 50 FPCAs in a PDF format by email, then in the "Forms Distributed" table you insert "50" where the "FPCA" column intersects with the "Electronic" row.

Note: Metrics do not automatically aggregate. For example, during January you assisted 5 military members with their FPCAs. On February 1, you would then insert "5" where the "Military" column intersects with the "FPCA" row.

In February, you then assist 6 more military members with their FPCA. In this case, on March 1 you would add the January totals with the February totals, and change the "5" to an "11". You can then continue to make additions to the total quarter numbers right up until the end of the quarter.

Make sure to *hit the "Save" button* every time you enter any new numbers! Once metrics are saved, you will then see the green box above the "Export to PDF" button.

Under the "Forms Distributed" table you will see a table called "Mandatory Questions". Check "Yes" or "No" to each of these questions by the end of each quarter. You have the option to change your response to any of the questions anytime during the quarter, provided that the changes are saved by 2400hrs Eastern Time on the last day of the quarter. Each question relates to the entire quarter just like the rest of the metric fields. If you report metrics monthly, please note that any changes you make to answers already submitted will override your previous answers for the quarter. So, if you answered "Yes" to a question previously, you have to leave it as a "Yes" in order for that "Yes" answer to be counted for the quarter.

The additional questions on the metrics page are:

- Did you communicate with other VAOs this quarter?
- Did you brief about voting assistance during one of the following milestones this quarter: in-processing, out-processing, pre-deployment, post-deployment, change of address, or separation of active duty?
- Did you provide voting assistance during one of the following milestones this quarter: in-processing, out-processing, pre-deployment, post-deployment, change of address, or separation of active duty?
- Did you conduct outreach this quarter?
- Did you use the Voting Assistance Guide (hard copy or online) this quarter?

If you have any technical questions, please contact tech@fvap.gov.

Always make sure to hit the save button!

Service specific questions can be addressed by your Service Voting Action Officer here: [FVAP.gov/vao/svao](https://fvap.gov/vao/svao).

- Do you have a complete Continuity Folder?
- Did you distribute any of the following outreach materials this quarter (hard copy or digital)?: Brochures, wallet cards, fact sheets, voting assistance guides, posters, voting assistance guides, posters, banners, digital media toolkits or informational videos for voters.

Keep current

Become familiar with the absentee voting process, the forms, [FVAP.gov](https://fvap.gov), your organization and your Service's voting website.

- Sign up to receive news releases from FVAP. Subscribe online at [FVAP.gov](https://fvap.gov).
- Workshops are offered at military installations and U.S. embassies and consulates worldwide. You can find information about these trainings by emailing vote@fvap.gov or your [Service Voting Action Officer](#) (SVAO).
- Take the online training for Voting Assistance Officers at [FVAP.gov](https://fvap.gov).

Online training modules for VAOs and Installation Voter Assistance (IVA) Office staff are also available online at [FVAP.gov](https://fvap.gov).

Provide assistance

VAOs provide voters with accurate and nonpartisan voting information and assistance.

- Help voters fill out the Federal Post Card Application (FPCA) according to their state's specific requirements.
- Display voting information at unit or installation family events, and leverage readiness programs or spouse clubs.
- Refer local residents and eligible U.S. citizens on a CONUS installation to the Installation Voter Assistance (IVA) Office for local registration assistance. Additional information can be found directly on election official websites or on vote.gov.

Contact info for IVA Offices can be found online at [FVAP.gov](https://fvap.gov). Local residents may include civilians, contractors, or service members living within their voting jurisdiction.

Promote voter awareness

- Post notices and/or posters on bulletin boards and social media to increase awareness of how to register and vote. When posting, make sure to include your contact information or the contact information for the IVA Office. Popular locations include installation housing, gyms, exchanges, and commissaries.
- Provide voting information at Commanders Calls and other group formations.
- Use Armed Forces Voters Week, Overseas Citizens Voters Week, Military Spouse Voters Week, and Absentee Voting Week to get the word out.
- During Absentee Voting Week, announce through various media that voters should return their voted ballots immediately. If they have not received their requested state absentee ballot, encourage them to use the Federal Write-In Absentee Ballot (FWAB).

Keep voting supplies available

- Keep an adequate supply of FPCAs for all unit members and their voting-age family members. As a VAO, you are required to provide FPCAs to all unit members and their families by January 15 of each year and all potential voters by July 15. Additionally, ensure you have enough forms for year-round registration, absentee ballot requests, and change-of-address requests for those deploying, returning from deployments, moving, or PCSing.
- Keep an adequate supply of FWABs on hand year-round for citizens to use in case they do not receive their state absentee ballot.
- To request outreach materials, such as posters, wallet cards, and brochures, contact your SVAO or email vote@fvap.gov. Make sure to provide the items and quantities you need and a good mailing address with your request.

VAOs with access to a computer, internet and printer can use online versions of these forms. Deploying units should take sufficient paper copies in the event of internet connectivity issues.

Manage your program

- Create or maintain your Continuity Folder.
- List your contact information in your installation directory for referrals.
- Ensure the timely submission of metrics in the FVAP portal.
- Installation-level VAOs should work with your Installation Commander to assign an Assistant Voting Assistance Officer to help with your duties as a VAO.
- If you serve in an Installation Voter Assistance Office, a handbook for office staff is available in the VAO section online at FVAP.gov.

Examples include:

- Develop relationships with the installation Public Affairs office to display voting messages on installation marquees and place FVAP news releases in the installation's paper.
- Include your contact information on the bottom of posters so Service members know who to contact.

Share your good ideas

After each federal election, the Services and Department of State issue After Action Reports that include good ideas submitted by VAOs to improve the absentee voting process. Good ideas enhance lines of communication among VAOs at all levels and enable you to improve your voting assistance efforts.

Your good ideas may come from:

- Personal experiences
- Assessments, audits, and appraisals
- Training evaluations
- Operational Readiness Reviews
- Voting activities, such as registration drives

Have a good idea?

- Send it to your Service Voting Action Officer (SVAO).
- Overseas citizen organizations may submit their ideas directly to FVAP at vote@fvap.gov.
- Be sure to include a clear statement of your idea and your complete contact information.

Determining voting residency

To vote in U.S. elections, citizens must have a legal voting residence address in a state or territory. The issue of voting residence depends on individual circumstances.

For Uniformed Service members and their eligible family members:

For voting purposes, legal voting residence can be in the state or territory where the individual last resided prior to entering military service, or the state or territory that the individual has since claimed as their legal residence. Even though the individual no longer maintains formal ties to that residence, the address determines their proper voting jurisdiction. To claim a new legal residence, an individual must have simultaneous physical presence and intend to return to that location as their primary residence.

A voting residence establishes the jurisdiction to which the citizen must submit voting materials.

Uniformed Service members and their eligible family members may change their residence every time they change permanent duty stations, or they may keep their residence at their previous location. This may mean that the family's Uniformed Service member has a different voting residence than his/her family members, because family members do not automatically assume the residence of the member.

Individuals should consult a legal assistance officer if they are not sure of their voting residence, because there are usually other factors that should be considered besides voting.

Spouses of Uniformed Service members may change their residency to that of the Uniformed Service members without establishing residency in that state.

Contact your legal assistance officer for help determining legal residence.

For overseas citizens: Overseas citizens' legal state of residence for voting purposes is the state or territory where they last resided immediately prior to their departure from the United States. This applies to overseas citizens even if they do not have property or other ties in the last state of residence. Children of these citizens should use the residence address of one of their parents or legal guardians. In most states, those who were born abroad and have never resided in the United States are eligible to vote absentee using their parent or legal guardian's address. To see if your state allows this, check the state pages in Chapter 2 of the Voting Assistance Guide (Guide) or find the listing online at [FVAP.gov](https://www.fvap.gov).

Helping individuals complete the Federal Post Card Application (FPCA)

The FPCA can be used by Uniformed Service members, their eligible family members, and overseas citizens to simultaneously register to vote and request an absentee ballot. As a VAO, you should help individuals correctly complete their FPCAs. Election officials determine the voter's eligibility to vote based on information provided in this application. Individuals should include all contact information on their FPCA and submit it early enough for election officials to contact them if they need additional information to process the form.

Check that FPCAs are filled out correctly and include:

- Signature and date
- Complete U.S. voting residence address (no P.O. Box addresses)
- Legible handwriting
- All information required by the state
- Complete current address (must be a different address than the voting residence address)

Remind voters to send the FPCA, and any required documentation, early enough to be received by the state registration and/or absentee ballot request deadline. If you are working in an IVA Office, offer to mail forms on behalf of the voter. Remember, collected forms must be mailed within five calendar days. Overseas voters must contact their embassy or consulate prior to dropping off forms.

Forms should not be sent directly to FVAP or an embassy/consulate as they are unable to process them.

Helping complete the Federal Write-In Absentee Ballot (FWAB)

If Uniformed Service members, their eligible family members and overseas citizens have requested, but have not received their state absentee ballot in time to vote and return it before the deadline, they should use the FWAB.

If citizens receive their state absentee ballot after submitting the FWAB, they should vote and return the state absentee ballot immediately. If the election office receives the state absentee ballot by the ballot return deadline, the state absentee ballot will be counted instead of the FWAB.

- To use the FWAB, citizens should have applied for a state absentee ballot before the state's ballot request deadline.
- The FWAB may be used to vote for federal offices in primary, general, special, or runoff elections.
- Some states have expanded the use of the FWAB and accept the FWAB for voting for state and local offices, and/or allow the FWAB to be used for voter registration and ballot request. Please see state information in **Chapter 2**.

Tips for using the FWAB:

- Individuals who have not received a requested state absentee ballot in time to return it before the election should immediately complete and send the FWAB to their election office. FVAP recommends voters use a FWAB if they have not received their state absentee ballot within 30 days of the election.
- The FWAB must be received by the election office no later than the ballot return deadline for that election.
- The Voter Information page must be completed and the mailing envelope must be signed and dated.

Conduct voter outreach events

Each regularly scheduled federal election year (every even-numbered year), FVAP works with the Uniformed Services and the Department of State to promote voter registration and absentee voting by conducting Voting Emphasis Weeks.

Armed Forces and Overseas Citizens Voters Week: June 29-July 4, 2026

Your goal: Deliver the FPCA to all Service members and their voting-age family members. Encourage everyone to fill out and submit the form immediately.

What you can do:

- Offer assistance in completing the forms.
- Conduct nonpartisan voting workshops and registration drives. Invite election officials from your area to assist.
- Hang voting banners near installation entrances or display a voting slogan on installation marquees.
- Run voting Public Service Announcements (PSAs) at the installation theater.
- Put up posters with voter registration information in popular areas such as installation housing, gyms, commissaries and exchanges. Be sure to include your contact information.

Keep voting supplies on hand

Maintaining an adequate supply of voting materials is an essential function of every VAO, even if you are using the FVAP Online Assistants. Voting materials include the FPCA and FWAB forms, motivational posters, voting banners, brochures, wallet cards, etc. To order materials, follow the instructions below.

Army

VAOs are responsible for ensuring that all absentee voting materials are made available to Service members. The Army's specific instructions are:

- **FPCA (SF 76)** - Primary method of use should be by guiding absentee voters to use the online assistant at [FVAP.gov](https://fvap.gov); it will guide voters in creating a completed FPCA. Secondary method of use is via downloadable PDF, available at [FVAP.gov](https://fvap.gov).
- **FWAB (SF 186)** - Primary method of use should be by guiding absentee voters to use the online assistant at [FVAP.gov](https://fvap.gov); it will guide voters in creating a completed FWAB. Secondary method of use is via downloadable PDF, available online at [FVAP.gov](https://fvap.gov).

These documents and other voting handouts (such as the Election Dates calendar) are available for download at [FVAP.gov](https://fvap.gov).

For CONUS, hard copies of all forms can be ordered through the APD website at <https://www.apd.army.mil/ptclick/>.

For OCONUS, orders will be sent to the overseas warehouse and can be ordered from your local pubs office in your area.

Additional assistance

The Uniformed Services have extensive chains of command to provide voting support for military members and their families:

Installation Commanding Officer (CO)

The Installation Commander oversees voting assistance for the Installation Voter Assistance (IVA) Office. The IVA Office staff report directly to the Installation Commander while staffing the IVA Office. FVAP requests that Commanders make opening statements at FVAP workshops and facilitate travel arrangements for VAOs to attend workshops at surrounding installations.

Installation Voting Assistance Officer (IVAO)

The IVAO acts as a focal point on military installations in coordinating voting assistance support. IVAOs should maintain a roster of all unit VAOs on the installation, establish communications with VAOs, and provide necessary materials and support. IVAOs coordinate FVAP workshops with organizations from their installation and surrounding installations.

Installation Voter Assistance (IVA) Office Staff

These are people who staff the IVA Office. They provide assistance to military personnel, eligible family members, as well as civilian personnel and other civilians who have access to the office. They provide written instruction on voter registration and absentee ballot procedures and report directly to the installation commander. These individuals can be contacted with questions regarding local voting.

Legal Assistance Officer

This officer can be contacted with legal questions, such as determining voter residency. Often known as a JAG (Judge Advocate General) officer.

Public Affairs/Information Officer

Contact this officer to ensure that voting information is included in installation or unit publications.

Inspector General (IG)

The IG is required by federal law to periodically review voting assistance programs to ensure compliance with DoD and Service directives and regulations.

Personnel/Human Resources Officer

Contact this officer to ensure that all newly reporting personnel and naturalized U.S. citizens are provided FPCAs and voting assistance.

Publications, Supply, or Distribution Officer

This officer ensures that VAOs receive FPCAs, FWABs, and other voting materials.

Officers-in-Charge

These officers of exchanges, commissaries, special services activities, medical and dental facilities, education centers, family centers, etc. can coordinate the display of voting materials for Armed Forces Voters Week and Absentee Voting Week.

Other non-military support organizations that can assist in voter outreach

- Local election officials
- Veterans and service organizations, such as Veterans of Foreign Wars, the American Legion, the Non Commissioned Officers Association, and the League of Women Voters
- Civic groups, American Chambers of Commerce, colleges and universities, and support organizations for overseas US citizens
- Spousal organizations

Run your program

Legal guidelines

VAOs must not provide partisan voting information from candidates, political parties, or partisan organizations. Military VAOs may receive questions from voters regarding whether they can distribute and/or display partisan materials at the military installations. VAOs should consult their Commanding Officer for their interpretation of *DoD Directive 1344.10 Political Activities by Members of the Armed Forces on Active Duty*, available online at [FVAP.gov](https://www.fvap.gov). Federally employed VAOs should refer to the *Hatch Act, Title 5 U.S.C. Sec. 7321*, link available online at [FVAP.gov](https://www.fvap.gov).

VAOs can advise citizens on locating information on candidates and issues using national, local and Service newspapers, magazines, radio, television, political party and campaign committee offices, overseas newspapers and periodicals, and state election websites.

Continuity folder

Continuity of your program is important for you, your alternate, your organization, and your successor. Create and maintain a Continuity Folder for your reference and to ensure that your successor understands what they are supposed to do. It should provide basic details on absentee voting procedures and contain anything that may help your backup or successor. Your folder should also provide a quick orientation of VAO responsibilities. It can be in the form of a notebook, file folder, or an online community folder, so long as it is readily available to other VAOs and assistants.

Your Continuity Folder should contain at a minimum:

- Your VAO Designation Letter (only military VAOs)
- Current FPCAs and FWABs
- Current Voting Assistance Guide (updates available online at [FVAP.gov](https://www.fvap.gov))
- Recent news releases
- Election Dates Calendar (during even-numbered years)
- Current State Department or Service guidance (directive, instruction, order, etc.)
- DoD Instruction 1000.04. (Federal Voting Assistance Program) and your Service Voting Action Plan
- Training materials and certificate from workshops
- Good ideas and lessons learned

Make sure to sign up for an [FVAP.gov](https://www.fvap.gov) portal account by scrolling to the bottom of any page on [FVAP.gov](https://www.fvap.gov) and selecting "Admin Portal". Once you have an account you can enter in your quarterly metrics and access other resources.

Never include Personally Identifiable Information (PII) about individuals you have assisted!

Best practices include maintaining hard copies of inspectable documentation which may include training certificates, appointment

Most VAO and IVA Office Continuity Folder documents can be downloaded in the VAO Continuity Folder section online at [FVAP.gov](https://fvap.gov). You can find all materials listed above in the VAO section of [FVAP.gov](https://fvap.gov) or through your normal Service supply chain.

letters, and a copy of your most recent metrics report.

Your SVAO may also have Continuity Folder requirements, for more details, see your Service Voting Action Plan.

Frequently Asked Questions (FAQs) about absentee voting:

Questions for all UOCAVA voters

What is UOCAVA?

The *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)* extends federal absentee voting rights to Service members, their eligible family members, and overseas citizens.

Who is covered under UOCAVA?

UOCAVA covers U.S. citizens who are 18 or older AND active duty members of the Uniformed Services, Merchant Marine, or commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration; their eligible family members; and U.S. citizens residing outside the United States.

What is the Federal Post Card Application (FPCA)?

UOCAVA citizens can use the FPCA to register to vote and request an absentee ballot simultaneously. They can also use the FPCA to update their contact information.

What is the Federal Write-In Absentee Ballot (FWAB)?

The FWAB is an emergency backup ballot for *UOCAVA* citizens who did not receive an absentee ballot from their state in time to participate in the election.

Do I have to register to vote?

Most states and territories require you to register to vote. Fill out an FPCA to register and request an absentee ballot at the same time.

Do I need to provide proof of citizenship?

Your state may require you to provide proof of citizenship, such as copy of your birth certificate or a copy of your passport, in order register to vote. Refer to your state instructions in the Voting Assistance Guide to determine what documents your state accepts.

When should I request an absentee ballot?

You should send in a new FPCA every January and each time you move. We recommend that you send in an FPCA at least 90 days before the election in which you want to vote, but even as deadlines approach we always encourage you to submit as state laws vary and you may qualify for a ballot containing only federal offices.

Do I have to send in a separate application for each election?

The FPCA allows you to request an absentee ballot for all federal elections in the calendar year. Depending on your state, you may receive a ballot with local or state offices and initiatives as well (e.g., Governor, City Council). We recommend that you send in a new FPCA every January and each time you move.

Can I vote at the embassy or consulate?

No. Elections are run at the state level. You must communicate directly with your state to register, request a ballot, and vote. Most embassies and consulates will help you to fill out the FPCA and FWAB, but they are not polling places.

Chapter 3

Refer to your embassy/consulate website for information on returning your voted ballots postage-free through the diplomatic mail. Each embassy/consulate will vary on dedicated hours and procedures for dropping off ballots for postage free return to the United States, so it is best to email, call, or check their website first.

When will I get my ballot?

Election offices are required to send absentee ballots at least 45 days before a federal election. If you requested your ballot by email, then the ballot should arrive right away. Mailed ballots will take longer to arrive depending on the postal system in the country where you are located.

What if I do not get a ballot?

If you do not receive an absentee ballot in time to return it to your state, you can use the FWAB as a backup ballot to vote for federal offices. If your official absentee ballot arrives after you send in the FWAB, then you can fill out and send in the official ballot as well. Your state will count only one.

How do I check the status of my ballot?

Contact your local election official or visit [FVAP.gov](https://www.fvap.gov) to find links for your state or local election official's online system, if available.

FAQs for the FPCA and FWAB

Do I have to choose a classification?

Yes. This is how you tell the election office that you are eligible to vote absentee under *UOCAVA*.

What if none of these classifications apply to me?

Military Members: If you are an active duty military member (or family member) stationed within your voting jurisdiction, you are not covered under *UOCAVA* and should follow your state's regular voting procedures. You can use either the National Mail Voter Registration Form (NVRF) or your state's voter registration form.

Non-Military: If you do not reside outside of the United States but want to vote absentee, you must follow the standard absentee voting procedures for your state. You can look up your election office at <https://www.fvap.gov/search-offices> and contact them about obtaining an absentee ballot.

Can eligible military family members vote absentee?

Spouses and children who live away from their voting residence can request an absentee ballot using the FPCA. However, if they currently live where they are registered to vote, then they are not covered by *UOCAVA* and should vote locally or request an absentee ballot according to state guidelines.

I am the spouse of a Service member. Can I use the same residence or domicile as my Service member for my voting residence address?

Yes, you are allowed to retain the same residence or domicile that your Service member has established, even if you have not physically been present at that address. If you choose, you may instead elect to retain your established residency or domicile (if different from your sponsor).

You are not permitted to choose any state; you or your service member must have established residency in a state. Ways to do this may include voting, paying taxes, owning property, holding a driver's license, and registering a vehicle. Residency requirements vary by state. Please consult legal counsel to discuss tax implications and other effects of the Military Spouse Residency Relief Act (MSRRA).

Will it affect my citizenship if I select "my return is uncertain"?

No.

Can a U.S. citizen who has never lived in the country register to vote and request an absentee ballot?

Many states allow citizens who have never resided in the U.S. to use a parent's voting residence as their own. A list of these states is available online at <https://www.fvap.gov/citizen-voter/reside>.

What if I don't have a Social Security Number or a state-issued ID?

In Section 6 of the form, under "Additional Information," write that you do not have a Social Security Number or a state-issued ID.

Does voter registration affect my tax status?

You can vote for federal offices without a change to your tax status, but voting for non-federal offices may result in state and local taxation. There may also be tax implications when changing your residence from one state to another. We recommend that you seek legal advice when changing your voting residence.

What is my U.S. voting residence address?

Your U.S. voting residence address is used to determine where you are eligible to vote. For military voters, it is usually the last address you lived at in your state of legal residence. Military spouses may align their voting residence to match their active duty spouse's address without having lived at that address. For overseas citizens, it is usually the last place you lived at in the U.S. before moving overseas. You do not need to have any current ties with this address.

What if someone else lives there now or the house was torn down?

Your election office only uses your voting residence address to determine if you are eligible to vote in that jurisdiction and which ballot to send you. Your election office will not send any voting materials to this address.

What if I do not know my voting residence address?

If you cannot remember the U.S. address where you last resided, we recommend asking family members and checking old records. Your election office may also be able to help you further.

Can my voting residence and current address be the same?

No. In order to vote absentee, you must be living outside of your voting district.

Do I have to give my current address if I am asking for my absentee ballot by email or fax?

Yes. The election office needs your current address to confirm that you are eligible to vote absentee under *UOCAVA*. This is especially important for citizens residing outside of the U.S.

Can I vote absentee if I'm traveling out of the country temporarily?

As part of the registration and ballot request process, you will need to provide a physical address where you can receive mail overseas.

What if I don't know my overseas address or duty station?

If you do not know your overseas address or duty station, provide as much information as you can regarding your overseas address or duty station (e.g., country, city, etc.) in Section 3 of the FPCA and the FWAB. Use Section 6 of the forms to explain why you do not have an address overseas yet. Make sure you provide your email and phone number so the election office can contact you with any follow-up questions.

Do I have to put my political party?

Most states require you to specify a political party in order to vote in primary elections. This information may be used to register you with a party.

Do I have to give additional information?

Some states require additional information to process your application. Go to [FVAP.gov](https://fvap.gov) to find out what your state specifically requires.

Can I sign my FPCA or FWAB electronically?

The electronic signature from a DoD Common Access Card of the FPCA is currently only accepted by the states of Maryland and Montana. The electronic signature from a DoD Common Access Card of the FWAB is currently only accepted by the states of Montana. The form must still be printed even if signed electronically.

Does it matter what size paper I use?

No. Any paper size is acceptable as long as the information is legible.

How can I send my form?

All states will accept your form by mail, but they vary on email and fax. Check your state's requirements/guidelines at [FVAP.gov](https://fvap.gov).

Do I have to pay for postage?

You must pay for postage only if you are using a foreign postal service or a commercial courier service. If you are using U.S. mail including APO/FPO/DPO or diplomatic pouch, then you can use the postage-paid template available on [FVAP.gov](https://fvap.gov).

Can I use any envelope to mail my form?

Yes. Print the postage-paid template from [FVAP.gov](https://fvap.gov) onto any available blank envelope.

Please note that some states require you to place ballots and FWABs inside an anonymous security/secret envelope. When sending your voting materials, make sure you have two envelopes; one for the ballot or FWAB and one for actual mailing. Place the security envelope along with the other balloting materials inside the mailing envelope. Once this is complete, you can address and send your voting materials to your election office. Do not include any identifying information within the security envelope.

What is a postmark?

A postmark is an official imprint applied on the address side of a stamped piece of mail by a United States or foreign post office. It provides the place and date of posting, cancels the postage stamp, and shows when and where the post office accepted your mail.

How do I email my form?

Only email your form if your state will accept it this way. After printing and signing your form, scan and attach it to an email addressed to your election office. Do NOT send your form to [FVAP](https://fvap.gov).

How do I check the status of my application?

Contact your election office directly to confirm that your form was processed successfully. FVAP does not have access to your registration information.

What if I can now vote in-person and already filled out and submitted an FPCA?

If you were overseas when you filled out an FPCA and are now stateside, notify your local election office of these changes. Your local election official will be able to assist you further.

U.S. Embassy and Consulate Email Addresses

U.S. embassies and consulates can provide American citizens with voting forms and information about absentee voting, and can mail voter registration and absentee ballot request forms, and voted ballots back to the United States. Embassies and consulates can also advise voters on local mailing options and estimated mail transit times. In addition, the embassy or consulate can notarize or witness voting materials (if required by the state) free of charge. American citizens cannot vote in person at U.S. embassies or consulates, nor can embassies or consulates receive mail or blank ballots on behalf of voters.
