DIRECTOR PROFILE

Mr. Parveen Kumar – Managing Director

At Raghu Group, we've come a long way since our humble beginnings in 1986. Today, we're a global enterprise, renowned for our unwavering commitment to qualitative excellence. From our skilled technicians to our state-of-the-art manufacturing facilities, we spare no effort in ensuring the highest standards of quality. Our products undergo rigorous testing, and we choose only the best raw materials to ensure excellence. This unrelenting pursuit of quality has earned us the trust of partners in over 50 countries. We're proud to serve manufacturers, wholesalers, chain stores, and retailers worldwide, and we're committed to continuing this journey of excellence.

RL-RIG-001-25

 This heavy-duty leather tool belt provides plenty of options for keeping tools within easy reach with double gussets supporting the front pockets, dual hammer loops, and 12 pockets made for true craftsman. It is designed for DIY home projects, woodworkers, electricians, or HVAC professionals. It has enough storage for a measuring tape, hammers, pliers, pencils, wrenches, nails, screws, and more. Our premium-quality work apron is made with natural leather to provide it with more strength and resilience over standard tool belts. It's also puncture and tear resistant for true jobsite reliability. Keeping tools at your waist not only frees up your hands, it can give you greater access to much-needed gear in real time, reduces clutter around the worksite, and adds valuable safety to your work space.

RL-RIG-002-25

 Store tools and accessories with 18 pockets, get additional storage with a quick-grab tape clip, and durable metal Drings for attaching suspenders.
