## The Second Hand Dog Rescue Adoption Contract

Under no circumstances will Adopter abandon the Pet or otherwise release it from Adopter's care.

\_\_\_\_\_ The Pet is to be kept indoors and is not to be left outside for long periods of time. If outside, Adopter will not let the Pet run loose outdoors, with the exception of the Pet being on a lead or leash, or observed while in a fully-enclosed outdoor run. \_\_\_\_\_ Adopter understands that, should any violation of the conditions set forth in this contract occur, SHDR or its representatives will take any legal action required to ensure the conditions are being met or are restored, to the full extent of the law.

SHDR and Adopter agree to the following, **as applicable**, as shown by their respective Initials:
