

Inviting Grant Applications for Family Led Initiatives

Description:

Community Living Ontario (CLO) is excited to announce the launch of a grant program in the province of Ontario, aimed at supporting family led engagement activities within our community for family members who have loved ones with intellectual disabilities. We believe that fostering strong family connections and collaboration is vital for the holistic development of all people.

As a provincial organization, Community Living Ontario is committed to providing resources and support to promote meaningful family engagement and providing families in Ontario the opportunity to network and build good lives for their loved ones. We encourage groups and networks that serve diverse populations from all across Ontario to apply for this grant, as we recognize the importance of diversity in creating positive change. We are committed to supporting and empowering groups and networks that are dedicated to promoting inclusivity and equity for all.

Objectives:

The primary objective of the grant is to encourage and facilitate family engagement activities that create opportunities for families who have loved ones with intellectual disabilities to connect, learn, and grow together. By providing financial assistance of up to \$10,000, we aim to enable groups and networks to design and implement innovative and impactful family engagement at the grassroots level in Ontario.

Eligibility Criteria:

To be considered for the grant, applicants must meet the following criteria:

- Family groups/networks (incorporated or not);
- Demonstrated commitment to supporting families with children who have intellectual disabilities;
- Clear one or two-page plan outlining the proposed family engagement including objectives, activities and expected outcomes;
- Demonstrated knowledge of disability-inclusive practices and strategies;
- Ability to provide accommodations and adaptations to ensure equitable participation by all
- Ability to track, measure and provide a brief (one or two-page) report to CLO with regards to the impact of the family engagement as a result of the grant.

Application Process:

Interested groups/networks can apply for the grant by submitting a brief (one or two-page) proposal that includes the following:

1. **Description:** Clearly outline the purpose, objectives, and activities of the proposed family engagement, specifically designed for families of children who have intellectual disabilities.
2. **Budget plan:** Provide a budget including how the grant funds will be utilized and any additional funding sources.
3. **Implementation timeline:** Provide a timeline of activities between September, 2023 and April, 2024, outlining the milestones and deliverables of the project.
4. **Evaluation and impact measurement:** Describe the methods and metrics that will be used to assess the effectiveness and impact of the initiative, for families.
5. **Background:** Provide information about the group/network, its goals and previous experience in family engagement or related initiatives in the province of Ontario.

Grant features:

1. **Funding Support:** We will offer grants to eligible groups/networks of up to \$10,000, to support the planning and execution of family engagement work. The grant amount will be determined based on the proposed project's scope, scale, and potential impact.
2. **Inclusivity and Accessibility:** It is imperative that the proposed activities prioritize inclusivity and accessibility. Grant recipients will be expected to incorporate accommodations for disabilities, adaptations, and specialized resources to ensure that all family members, as appropriate, can fully participate and benefit from the activities.
3. **Capacity building:** We recognize the importance of equipping people with the necessary skills and knowledge to deliver effective family engagement as part of the grant. Grant recipients can reach out to CLO for access to development resources to enhance the participants' ability to create engaging and impactful experiences.
4. **Collaboration and Networking:** In addition to financial support, grant recipients will have the opportunity to collaborate with others in Ontario, working towards similar goals.

Selection Process:

Applications will be reviewed by a committee of experts in disability support and family engagement. The selection criteria will include the clarity and feasibility of the proposal, alignment with the grant objectives, potential impact, inclusivity, and the capacity for successful implementation within the timeframes specified.
