# WHY PARTNER WITH TOC?

TOC Artwork opened just outside of St. Louis, MO in 1994 and has been delighting clients with distinctive artwork and exceptional service ever since. TOC Artwork has been commissioned for art and framing by clients across the United States, including hospitals, professional sports facilities, and corporate headquarters. Our experience ranges from placing original artwork in small office building lobbies to working with multi-location national chains throughout the country.

# PROJECT APPROACH

## CONSULTATION

Our approach begins with a project assessment meeting to explore your project needs. We will review your design intent, vision, budget, and timing.

## RESEARCH & DESIGN

Our skilled design team will begin working with the floor plans of your space to develop a portfolio of art options that meet your project requirements.

## SOURCING

TOC has developed strong relationships with a large network of artists over 20 years, giving us access to a wide range of art for any project.

## PRESENTATION

We will present a complete solution to fit your needs including artwork, specialty items, layout, framing options, and hanging systems that enhance each individual piece and work collectively within the space.

## PRODUCTION

Our in-house framing facility gives us complete control over the production process, ensuring you get the highest quality product, within your deadline.

## INSTALLATION

Our complete service includes carefully packing and delivering artwork to the site, guided by our installation team (optional) on site during delivery.
