CASE STUDY (BUYER'S CONSOLIDATION)

Customer Overview

- A leading **retailer** dealing with garments, fashion accessories, home furnishings

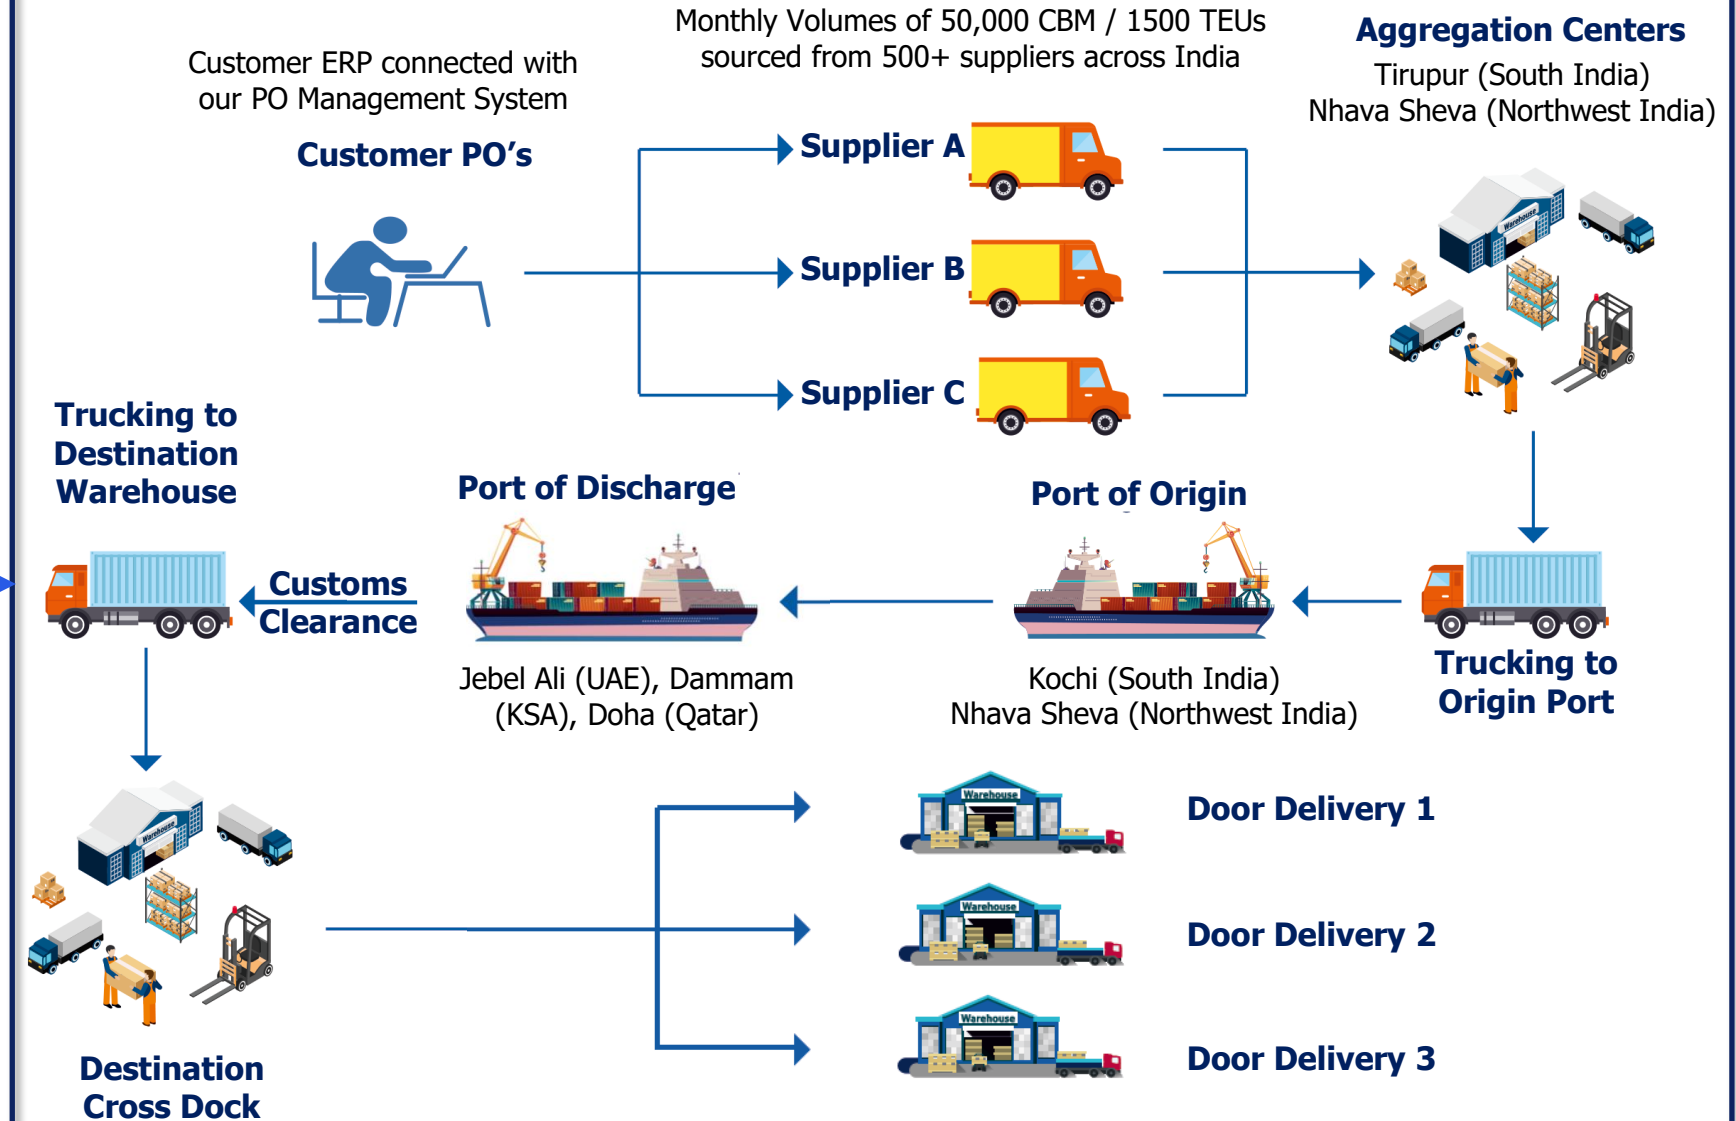

Problem Statement

- Multiple LCL shipments from different suppliers across different locations

Transworld Solution

Benefits

- Consolidated multiple LCL shipments into FCL, achieving **higher container utilization rates leading to lower freight rates**
- Acted as a single contact to handle various shipments

CASE STUDY (COLD CHAIN LOGISTICS)

Customer Overview

- A **renowned food & beverage chain** dealing with frozen, chilled, & ambient food products

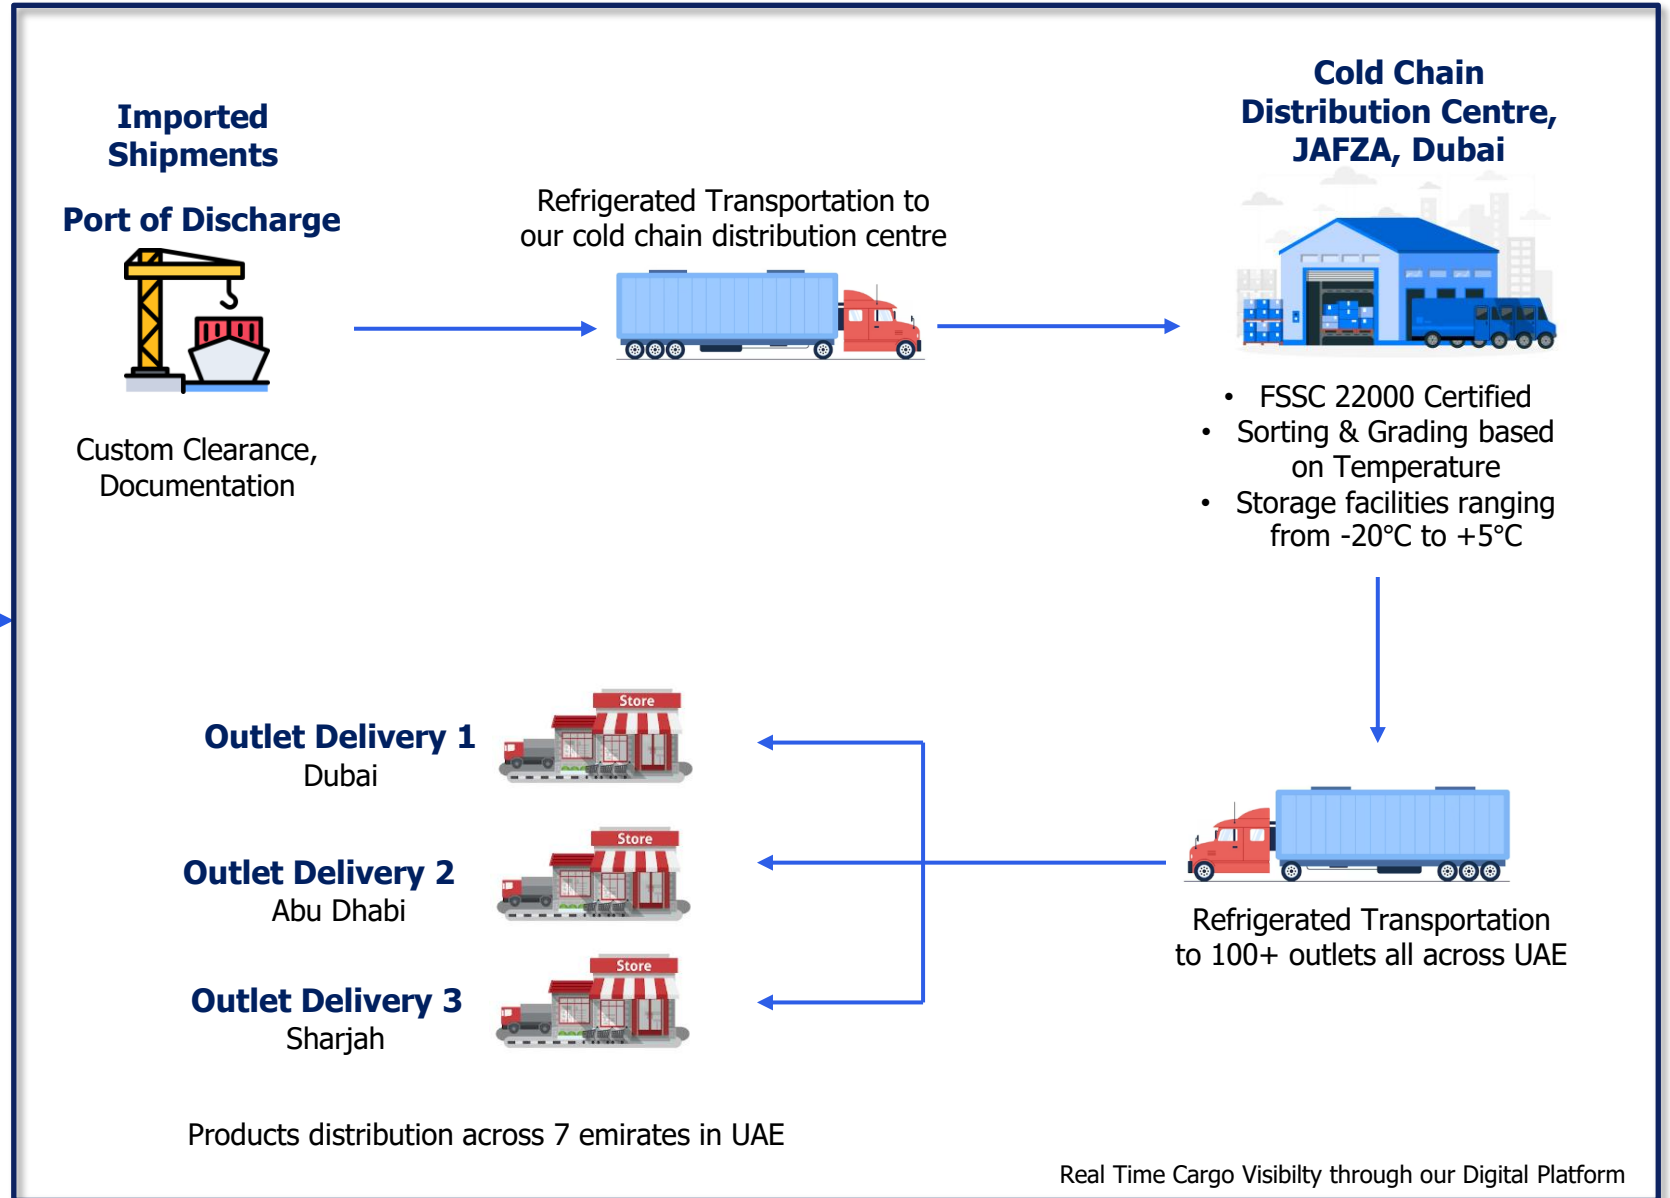

Problem Statement

- Diverse product range having different temperature requirements during distribution across 7 emirates in UAE

Transworld Solution

Benefits

- A single provider offering end-to-end logistics & distribution services throughout the UAE
- Strategically located distribution centre in JAFZA, Dubai with excellent connectivity & customs advantages result into huge cost savings

Thank You
