Parliamentarians for Global Action

JOIN US

The largest non-governmental, multi-party network of individual legislators in the world, promoting and defending the rule of law, democracy, human security, inclusion, gender equality, and justice, including climate justice, and the environment.

- Participation in PGA events at various levels, including the Annual Forum and thematic workshops worldwide.
- Access to a global network for collaborative exchanges and impact on crucial global issues.
- Expert communication strategies, resources, and technical assistance for legislative effectiveness.
- Direct connections with key stakeholders, including UN agencies and civil society leaders.
