ABOUT 5C'S

We Can Help You Build A Better Life by Providing you with the Skills America Needs.

5C'S Development Program is a 501(c)(3) non-profit vocational program located in the heart of Richmond, Virginia. We provide the men and women of Richmond an opportunity to become productive workers by offering training in the area of Carpentry, Construction, Certification, Contracting, and Counseling.

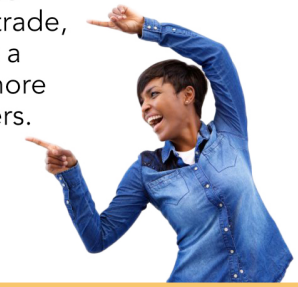

Our goal is to improve the efficiency and competitiveness in the 21st century by offering our students cutting-edge training from some of the areas best instructors, and on-the-job training.

MISSION STATEMENT

The 5C's mission is to provide quality vocational education and training programs to help end the cycle of unemployment and poverty in the Metro Richmond Area.

DID YOU KNOW?

In the United States, a qualified, skilled tradesperson makes an average of $50,000 annually? Unfortunately, fewer people are pursuing a trade, and there is a demand for more skilled workers.

OUR PROGRAMS

New Beginnings, Start Here.

The 5C's Development Program will educate you while building vocational skills to prepare you for your future. Our program targets individuals interested in careers in the building trades, continuing education certification, and hands-on classroom building.
