Meet Our Honoree

LIMOR REGULAR, PHD

Limor Regular's Club journey began in 2022 through a back-to-school initiative that engaged her company, Infolinks Media, and her family in a shared mission of giving. Since then, her impact has grown exponentially. Through her generosity and leadership, she has provided life-changing experiences for youth and strengthened the Club's ability to serve future generations of Club Kids.

Limor, an organizational psychology expert, is the founder of Human Potential Consultancy and a founding partner at Infolinks Media. Alongside her husband, Bob Regular, CEO and cofounder of Infolinks, she has turned the company into a premier Club partner.

Since joining the Board of Directors in 2023, Limor has been integral in shaping the Club's future. As Treasurer, she ensures the Club's evolution to meet growing community needs. Personally, Limor has invested in programs and events and mobilized her family, friends, and colleagues to contribute hundreds of volunteer hours. Her commitment reflects her family values, with her husband and daughters -- Maya, Tamara, and Emily – joining her efforts to mentor and champion Club youth.

One of Limor's most groundbreaking achievements is securing multi-year, comprehensive grants through a partnership with Saddle River Day School, providing transformative educational opportunities for Club teens. Limor continues to leverage her network to expand opportunities for Club youth to thrive.

Dear Friends and Supporters,

Welcome to the **Great Futures Gala: Defying Gravity,** where we celebrate the remarkable young people we serve -- our Club Kids -- and those who champion their Great Futures. As Board President, I am proud to witness how our Club continues to rise to meet the needs of our community, thanks to supporters like you.

We are especially proud of the leadership of our new CEO, **Dr. Christina Dukes Brown.** In less than a year, she has brought dynamic energy and deep sense of purpose to our mission. Her commitment to academic success and holistic youth development is already making a lasting impact. Under her guidance, the Club is soaring.

Tonight, we are honored to recognize **Dr. Limor Regular**, our 2025 Champion of Youth Award recipient. Limor and her family exemplify what it means to lead with heart. Through hands-on service, mentorship, advocacy, and generous support, the Regular Family has become an essential part of our Club family. We are grateful for Limor, her husband **Bob**, and their daughters **Maya, Tamara, and Emily**, whose passion and vision have elevated this year's Gala—and our mission—to new heights.

We are also excited to welcome **Essence Carson**, hometown hero and Community Trailblazer Award recipient. Her journey -- from Paterson to the WNBA, and from championship courts to music and philanthropy -- reminds us what's possible when young people are given the opportunity to thrive.

As you enjoy this special evening, I invite you to remember tonight's true stars -- our youth. Every dollar raised tonight will support Academic Success and Literacy programs, helping our Club Kids grow into confident students, creative thinkers, and compassionate leaders. With your help, we're not only helping them rise -- we're helping them defy gravity.

Thank you for being here and for believing in the power of Great Futures.

Sincerely,

Art Corwin

Thank you to our board for leading the way with wisdom and dedication to our children and families!

Dear Friends,

Welcome to the **Great Futures Gala: Defying Gravity!** Tonight is more than just a celebration -- it's a tribute to the power of dreams, the resilience of youth, and the community that lifts them higher. Inspired by the soaring message of Wicked, our theme, Defying Gravity, speaks to the unstoppable spirit of our Club Kids -- young people who rise above challenges with courage, creativity, and the belief that nothing is out of reach.

Dr. Limor Regular, our 2025 Champion of Youth Award honoree, embodies what it means to show up for young people. Through volunteerism, mentorship, academic support, and corporate engagement via her company, Infolinks Media, Limor has helped transform the lives of Club youth. Alongside her husband **Bob** and their daughters **Maya, Tamara, and Emily**, the Regular Family sets a powerful example of service with heart. Tonight, we recognize Limor's leadership and the Regulars' shared dedication to creating Great Futures for the next generation.

We are also happy to recognize **Essence Carson**, recipient of this year's Community Trailblazer Award. A proud daughter of Paterson, Essence has inspired generations through her remarkable career as a WNBA All-Star, global athlete, musician, executive, and advocate. From Eastside High School to Rutgers, from winning championships to championing equity, Essence has always used her platform to give back and light the way for others. Her journey reminds our Club Kids that their dreams are valid -- and their futures limitless.

As you enjoy this evening, I invite you to remember the true purpose behind the celebration. Proceeds from tonight's event will support our Academic Success and Literacy programs, providing everything from homework help and free tutoring to reading programs and college prep. These are the building blocks of opportunity and lifelong success.

Thank you to each of you who has chosen to support this mission. Whether through sponsorship, generosity, or simply attending tonight, you are helping Paterson and Passaic youth defy the odds and rise toward their dreams.

Let's make this a night to remember for the Club Kids who are already defying gravity, and for the Great Futures we are building together.

With gratitude and hope,
