Crown Space:

Take the crown (or take it from the player who is wearing it) and put it on.

Black Ring Space:

Take the black ring (or take it from the player who is wearing it). You must wear the black ring until you can get rid of it.

Put One Back Space:

If you have the black ring, now you must get rid of it by putting it back in the pile of jewelry. If you do not have the black ring, you must return any one of your jewelry pieces (an earring, a bracelet, a necklace or a ring) or the crown. If you have nothing to return, your turn is over.

Take Any Piece Space:

Take any piece of your color jewelry from the jewelry pile or take the crown. If another player is wearing the crown, you can take it and put it on.

SET UP

1. Place the gameboard and spinner on the table.

4. Put your matching color pawn on any space on the circular gamepath. (Do not place it on a gameboard corner.)
