ABOUT OUR COMPANY

مؤسس ة سعيد ناصر سعيد آل هاشم للمقاولات عامة
Saeed Nasser Saeed Al Hashim Contracting Establishment

MABCO is a leading name in Saudi Arabia's contracting and solutions industry, offering comprehensive services in construction, infrastructure, supply, and industrial support. Established with the vision of delivering excellence, we have grown into a trusted partner for both private and government clients across the Kingdom.

With years of expertise and a reputation built on integrity, quality, and reliability, MABCO takes pride in executing projects of all scales—ranging from large infrastructure developments to specialized site services. Our highly skilled workforce, modern equipment fleet, and client-first approach set us apart in a competitive marketplace.

At MABCO, we believe in sustainable progress. Every project we undertake is executed with precision, safety, and efficiency, ensuring long-term value for our clients. Our goal is not just to build infrastructure but to build trust and relationships that last.

ASPHALT WORKS

MABCO delivers durable asphalt paving solutions for highways, industrial areas, and commercial projects across Saudi Arabia. Using advanced machinery and high-grade bitumen, we provide end-to-end services from subgrade preparation to surface finishing. Our works enhance road safety, withstand heavy traffic and harsh weather, and reduce long-term maintenance costs—making us a trusted partner for municipal, industrial, and private sector projects.

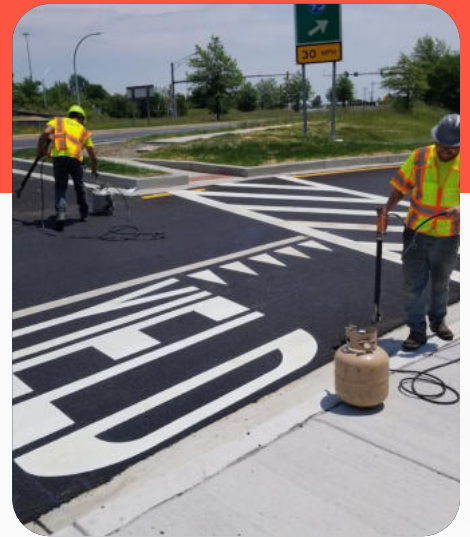

Asphalt Excellence,
Driven by Quality.

ROAD WORKS

At LSM ARABIA, we specialize in the design, development, and maintenance of road networks. Our road works services cover everything from paving to grading, ensuring smooth and durable surfaces that stand the test of time. Whether it's a major highway or a local road, we have the expertise to handle projects of all sizes with precision and care.

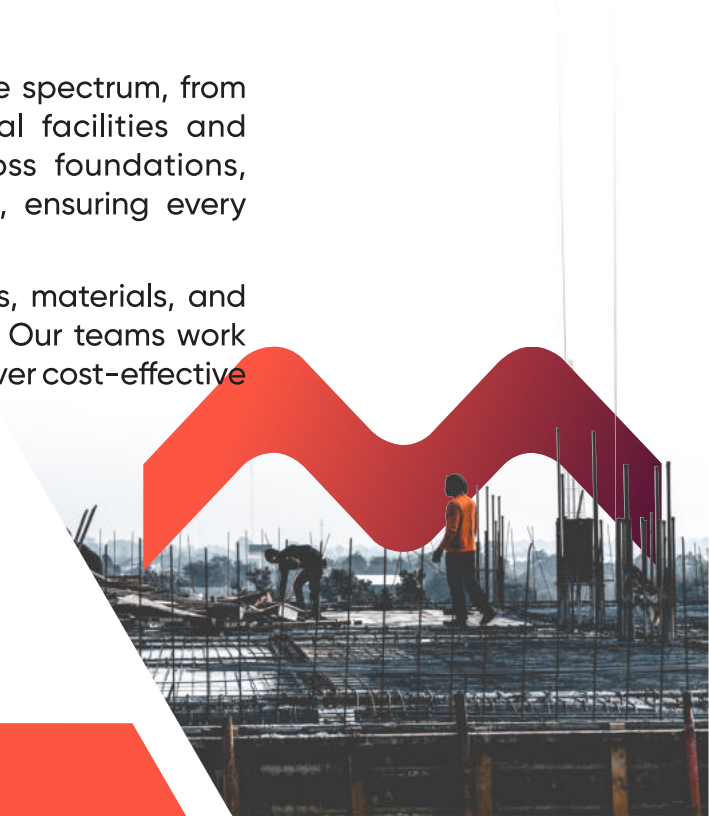

GENERAL CONSTRUCTION

MABCO's general construction services cover a wide spectrum, from residential and commercial buildings to industrial facilities and infrastructure projects. Our expertise spans across foundations, structural frameworks, roofing, and finishing works, ensuring every project is executed with efficiency and precision.

We follow a client-centric approach, where designs, materials, and methodologies are tailored to project requirements. Our teams work closely with architects, consultants, and clients to deliver cost-effective and sustainable solutions.

With a strong focus on quality control and project management, MABCO ensures timely delivery without compromising safety or durability. We aim to set benchmarks in construction excellence with every project we complete.

BACKFILLING

MABCO provides specialized backfilling solutions that ensure long-term ground stability for roads, buildings, and industrial facilities. Using approved materials, advanced compaction techniques, and strict quality checks, we deliver foundation preparation, trench refilling, and site leveling with lasting strength and durability. Trusted by clients across Saudi Arabia, our services minimize settlement risks, enhance stability, and support safe, sustainable construction outcomes.

FENCING

MABCO delivers durable and secure fencing solutions for residential, commercial, and industrial needs, including chain-link fences, security fencing, boundary walls, and custom barriers. Executed with precision and compliance to safety standards, our fencing enhances security, functionality, and aesthetics for construction sites, private properties, and industrial facilities. With a focus on quality and reliability, we help clients protect assets, ensure privacy, and establish secure perimeters.

EARTHWORKS & EXCAVATION

MABCO provides reliable earthworks and excavation services, including grading, trenching, land leveling, and bulk excavation, backed by advanced equipment and skilled operators. With a focus on precision, safety, and environmental responsibility, we ensure accurate site preparation for projects of all sizes. From small developments to major infrastructure, our efficient earthmoving solutions lay the foundation for seamless construction progress.

EXCAVATING EXCELLENCE INTO EVERY PROJECT.

CONCRETE WORKS

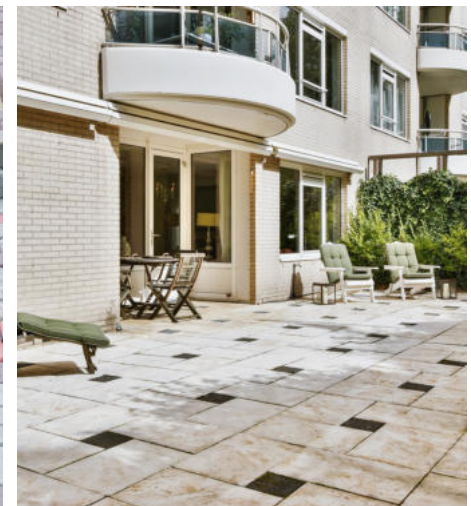

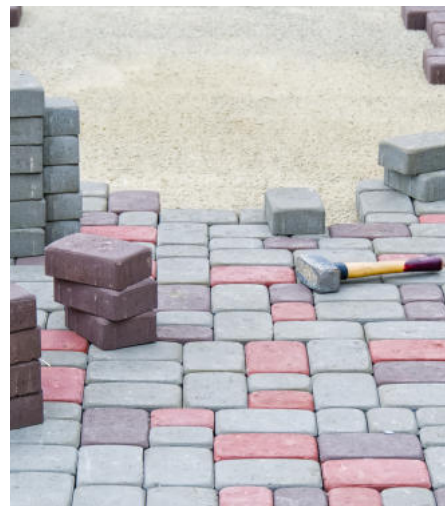

(Slabs, Foundations, Retaining Walls)

MABCO delivers high-quality concrete works including slabs, deep foundations, and retaining walls, using premium materials and reinforcement for lasting strength and durability. From residential flooring to industrial foundations and large retaining structures, our precision engineering and strict quality control ensure every pour meets international standards. Trusted for reliable, cost-effective, and sustainable solutions, we provide concrete works that support long-term structural performance.

INTERLOCKING WORKS

MABCO offers durable and visually appealing interlocking paving solutions for roads, walkways, driveways, and landscapes. Designed to handle heavy loads while maintaining elegance, our interlocks come in various designs, colors, and finishes for lasting performance and easy maintenance. Eco-friendly and supportive of natural drainage, our interlocking works combine design expertise with engineering precision to enhance both functionality and urban aesthetics.

DEMOLITION & SITE PREPARATION

MABCO provides safe and efficient demolition and site preparation services, including controlled structure removal, debris clearance, grading, and leveling. Using advanced machinery and strict safety protocols, we ensure minimal disruption, environmental compliance, and fully prepared sites for new construction. With a focus on cost efficiency and timely execution, MABCO delivers complete readiness for every project.

EQUIPMENT RENTAL

MABCO offers a wide range of heavy equipment rentals, including excavators, bulldozers, loaders, cranes, graders, and more—available with or without skilled operators. Our well-maintained fleet ensures high performance, while flexible rental options help clients reduce capital costs and meet project needs efficiently. Trusted across Saudi Arabia, MABCO's equipment rental services deliver reliability, availability, and cost-effectiveness for seamless project support.

Lifting Equipment

- Hydraulic Crane
- Crawler Crane
- Boom Truck
- Forklift
- Articulated Manlift
- Telescopic Manlift
- Mobile Crane
- Tower Crane

Earth Moving Equipment

- Bulldozer
- Grader
- Wheel Loaders
- Excavator
- Rock Breaker
- Dump Truck
- Back Hoe
- Roller Compactor

Transportation

- Flat Bed Trailer
- Hydraulic Low Bed Trailer
- 55 Seated Bus
- 33 Seated Coaster
- 15 Seated Hi Ace
- Pick Up, SUV's & Sedan

Power & Portable Machinery

- Air Compressor
- Tower Lights
- Welding Machine
- Power Generator
