

TRANSPARENT TREE PLANTING FOR BUSINESS & BEYOND

Transform sustainability into tangible impact

EcoMatcher is a Certified B Corporation helping companies turn sustainability into measurable, transparent impact.

Through our TreeTech platform, businesses can plant trees with vetted foundations, track every tree with GPS, photos, and planter stories, and engage customers and employees through immersive digital experiences.

TRANSPARENT TREE PLANTING FOR BUSINESS & BEYOND

How EcoMatcher works

We plant trees

We plant trees and forests with partners we vet

Know everything

We know everything about every tree, incl. the farmer

Travel to trees

Virtually travel to every tree in 3D and learn more about it

Complete platform

Tools to easily integrate trees into your business

What can you do with EcoMatcher

Corporate Gifting

Plant trees on behalf of customers.

Loyalty Programs

Turn points into trees for eco-rewards.

Trees at Checkout

Let customers plant trees during purchase.

Unique Rewards

Thank respondents with newly planted trees.

Employee Engagement

Give each employee a tree from your company forest.

Transparent Carbon Offsetting

Regularly offset footprints with precise tree counts.

Want more? Get certified carbon credits with TREES+

- EcoMatcher, in partnership with VNV, offers customers unique tree-planting projects branded as TREES+, where each tree can be tracked and managed through the EcoMatcher platform and used in your business, for example for gifting, rewards, and engagement.
- Every project will carry official carbon certification from Verra or Gold Standard, ensuring the highest standards of environmental impact and credibility.
