

EV3 Multi-Technology Cards

Tech specs

General

Name & model number	ACC-AC-EV3-MT-1	Base part number - PN	2A-881001-A
Descriptor	Multi-technology Proximity + DESFire EV3 Encrypted Cards	Size	Height: 2.1in / 54mm Width: 3.4in / 85.6mm Depth: 0.035in / 0.9mm
Compatibility	Works with all Verkada readers	Weight	0.21oz / 6.0g
Chip type	T5577 MIFARE DESFire EV3	Encryption	AES 128 bit
Frequency	125KHz / Bit rate above 13.56 MHz / Bit rate	Warranty	10 years
Box quantity	100 cards	Pricing	US cost (MSRP) ^{USD} \$1,199 WW cost (MSRP) ^{USD} \$1,199

*The AD34, AD64, AL54-CY, AL54-MS, AF64, TD33, TD53, TD63 readers additionally enable organizations to toggle specific antenna frequencies in Command, so low-frequency antennas can be disabled on critical entry points to only acknowledge the encrypted side.
