RALLY TIDE

The Riptide have proved they are never out of a ballgame. Orange County's largest comeback win this season came in a 8-6 win against the San Diego Waves on June 7, a game in which they trailed 5-0 at one point. Against the Philippines Baseball Group last Sunday, the Riptide recorded their second walk-off win of the year. The 'Tide have recorded 13 come-from-behind victories this season.

PITCHING DOMINANCE

Orange County's pitching staff has been one of the best in the CCL this season. Entering the week, the Riptide own a 3.24 ERA, the second-lowest mark in the league and 1.32 WHIP, third best. The staff has struck out 320 batters, the third-most in the CCL, while allowing an average of just three earned runs per game. UC Irvine's Alex Umland is coming off his best outing of the summer after tossing six scoreless innings with no walks and five strikeouts against the Waves last Saturday in his first start.

WELCOME BACK BRADLEY

Bradley Navarro of Utah made his return to the Riptide last week after leading the team in hits, walks and batting average in 2025. In four starts, Navarro hit .308 with four walks, four RBI and added a stolen base. The outfielder delivered a clutch double in the ninth inning and scored the tying run in Orange County's walk-off win over the Philippines Baseball Group.

WAVE OF WALKS

The Riptide have showcased a disciplined approach at the plate all season. Orange County's 185 walks are tied for the third-most in the CCL this summer. The Riptide set a franchise record on June 5 by drawing 15 walks against the San Diego Bombers, surpassing the team's 12 free passes against the Sonoma Stompers in 2022. UConn's Trajan Rogowski leads the team with 20 walks.

NIETO RETURNS TO THE GREAT PARK

Right-handed pitcher Dylan Nieto makes his return to Orange County this week. Nieto posted a 2.16 ERA across 8.1 innings pitched during the 2025 campaign.

HOME COOKING

The Riptide have been a different offense at Great Park this summer. In 26 home games, Orange County is batting .261 with a .380 on-base percentage, compared to a .225 average and .342 OBP in 11 road contests. On the mound, the Riptide own a 2.42 home ERA compared to their 5.34 road ERA.

PLAYOFF PUSH

Entering the final week of the regular season, the Riptide have an opportunity to clinch the No. 1 seed in the CCL South. Orange County currently sits atop the playoff standings, but the Conejo Oaks are close behind, setting up a tight race for the top spot. Securing the top seed would earn Orange County a first-round bye and the opportunity to host the CCL South championship game.
